

QUESTIONS AND ANSWERS

RFP #2013-001

NEW HAMPSHIRE PUBLIC UTILITIES COMMISSION

**REQUEST FOR PROPOSALS
FOR CONSULTING SERVICES RELATED TO
METERING AND MEASUREMENT OF THERMAL ENERGY**

QUESTIONS	ANSWERS
1. Will there be a pre-bid meeting?	No, we will not be holding a pre-bid meeting. Additional information related to the useful thermal energy requirements can be found on the following webpage: http://www.puc.nh.gov/Sustainable%20Energy/Class%20I%20Thermal%20Renewable%20Energy.html
2. What is the anticipated budget for the contract?	We currently have an approved consulting budget not to exceed \$25,000. After award of a contract, NH PUC Staff will meet with the consultant to further refine the scope and budget of the contract.
3. Will partial bids be considered (i.e. covering only one of the three energy technologies, such as geothermal - but not including solar or thermal biomass)?	No, we would like to choose one bid, but that bid could include various experts from different companies. We encourage bidders to team with others to submit a single bid covering each element of the RFP.
4. Will the PUC announce the bidder selected for the RFP?	Yes, an award announcement will be posted on the following webpage: http://www.puc.nh.gov/Home/requestforproposal.htm .
