Re: DW04-048, City of Nashua/Pennichuck

Dear Ms Howland,

Pleased be advised that I will be attending the hearing on September 4, 5, 6, 11, 12 & 13, 2007. I am unavailable to attend the hearing on the new dates recently rescheduled for September 18, 19, 25, 26 & 27 as I will be out of the country from September 16 through October 4, 2007. Should any party wish to question me regarding my Testimony please schedule me on the above dates of my availability.

In my absence, John Gustin will be seated at the table to cover for me as intervener. John is a mayoral candidate in favor of the acquisition. He will be my point of contact. However, he will not answer for me as he hasn't done my research. John will be there to listen and keep me informed.

Enclosed please find documentation to support an issue I raised in my Testimony. It is not new information; it is merely offered to validate a point raised in my original Testimony. I was not able to provide it earlier as it was very labor intensive. Thank you for your attention to these matters.

Sincerely,

A handwritten signature in cursive script that reads "Claire B. McHugh".
