Complaint Against Verizon New Hampshire Re: Access Charges
DT 06-067**

Dear Ms. Howland:

Yesterday I emailed you and the parties in DT 06-067 an electronic copy of the brief of Global Crossing Telecommunications, Inc. I also sent you seven paper copies for delivery today. After the package was sent, however, I discovered that the paper version I sent you contained some minor typographical errors that were corrected in the electronic version. So please keep the electronic version, but for the sake of complete accuracy I would appreciate it if you would discard the paper copies I sent you yesterday and substitute them with the copies that are enclosed here.

In you have any questions, please contact me. Thank you.

Very truly yours,
