***Re: DT 06-067, BayRing Communications Complaint Against  
Verizon New Hampshire Regarding Access Charges***

Dear Ms. Howland:

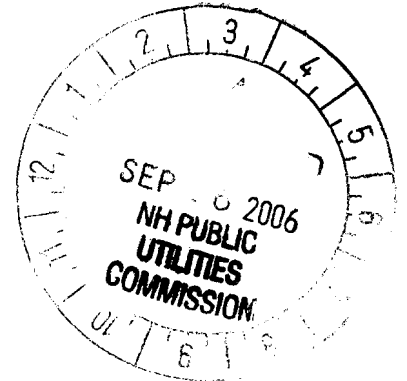

Due to the unavailability of Mr. Ben Thayer, BayRing respectfully requests a postponement of the technical session telephone conference in the above-captioned matter which is presently scheduled to be held on September 7, 2006. Attorney DelVecchio, Ms. Thorne, Attorney Fabrizio, Ms. Bailey and Mr. Katz have been informed in person of the need to reschedule this technical session and none of them indicated any objection to doing so. Given the unavailability of other personnel from BayRing and based on preliminary responses from some of the other parties to this docket, it appears that the first available date for a rescheduled technical session is September 29. If that date does not work for everyone, then I will work with Staff and the other parties to find a mutually agreeable date for the next technical session.

Please do not hesitate to contact me if you have any questions.

Very truly yours,

  
Susan S. Geiger
