ONE COMMUNICATIONS' PETITION TO INTERVENE

One Communications petitions to intervene in this proceeding.

One Communications' New Hampshire operating subsidiaries — Choice One Communications of New Hampshire Inc.; CTC Communications Corp.; Conversent Communications of New Hampshire, LLC; and Lightship Telecom, LLC — are competitive local exchange carriers duly authorized to provide such services in New Hampshire.

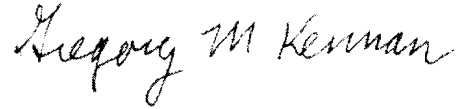

Verizon New Hampshire has improperly imposed access charges (including carrier common line charges) upon one or more of One Communications' operating subsidiaries for calls originated by One Communications' end users in New Hampshire and terminated on wireless carriers' networks, in a manner like that described in BayRing's complaint in this docket. Therefore, One Communications' rights, duties, privileges, immunities or other substantial interests may be affected by this proceeding.

The interests of justice and the orderly and prompt conduct of the proceedings will not be impaired by allowing One Communications to intervene. The Commission has just opened this docket, and One Communications is filing this petition in accordance with the schedule that the Commission established in the Order of Notice.

For these reasons, One Communications requests that it be permitted to intervene.
