Re: DG 06-098 Northern Utilities, Inc.
Integrated Resource Plan

Dear Ms. Howland:

Due to the sudden illness of Northern Utility's gas portfolio manager, the parties and Staff request that the Commission postpone the joint technical conference scheduled for March 27, 2007 in Portsmouth until a later date.

Once the parties have had a chance to discuss the rest of the procedural schedule approved by Secretarial letter on February 22, 2007, the parties will advise the Commission of any further delay which may be needed.

Thank you for your assistance with this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "F. Anne Ross".
