RE: Docket No. DA 07-026

Dear Director Howland:

Enclosed for filing in the above-referenced docket is an original and six copies of the executed contract between Northern Utilities, Inc. and Granite State Gas Transmission, Inc. for the operation and maintenance of certain measurement and pressure regulation facilities located within the states of New Hampshire and Maine. Please note that this contract was executed on November 1, 2007, prior to the acquisition of Northern and Granite by Unitil Corporation. It has come to my attention that the executed version of this contract had not been previously filed with the New Hampshire Public Utilities Commission.

Please do not hesitate to contact me if you have any questions.  
Thank you for your attention to this matter.

Sincerely,

Gary Epler  
Attorney for Northern Utilities, Inc.
