Re: Interim Change in the Default Energy Service Rate
Docket No. DE 07-096

Dear Ms. Howland:

Enclosed please find seven copies of Public Service Company of New Hampshire's ("PSNH") response to a Record Request that was made in the hearing on June 11, 2008. Exhibit No. 11 was reserved for this response. The response contains a re-calculation of the Default Energy Service Rate with the most up to date information supported by the workpapers included in Attachments RAB-1 and RAB-2. PSNH hereby requests the Commission to approve a Default Energy Service Rate of 9.57 cents per kilowatt-hour for effect from July 1, 2008 through December 31, 2008.

Per the Chairman's request at the hearing, we enclose a table and chart of forward market prices for bilateral purchases from April 1, 2008 through June 11, 2008. Also included is the Joint Technical Statement of Robert A. Baumann and Richard C. Labrecque providing an explanation of the calculations and the changes shown in the latest data.

As suggested by Attorney Hatfield at the hearing, PSNH will schedule a conference call to discuss this filing with the Staff and the Office of Consumer Advocate and answer any questions they may have.

Sincerely,

Gerald M. Eaton
Senior Counsel
