Re: DW 07-105 Lakes Region Water Company, Inc. (LRWC)  
Scheduling of September 24, 2010 Monitoring Technical Session

Dear Ms. Howland:

In Order No. 24,877, the Commission approved Staff and the parties holding monitoring technical sessions to monitor the management of Lakes Region Water Company, Inc. In the monitoring letter report filed with the Commission on April 21, 2010, Staff indicated that

“July 14, 2010 will be the next meeting unless LRWC files a rate case. If a rate case is filed, it is Staff and the attendees’ preference that the quarterly meetings be subsumed into the rate case. Once a schedule is established in the rate case, parties in this docket will be notified of the schedule.”

The prehearing in Lakes Region Water Company, Inc.’s rate case is scheduled for Friday, September 24, 2010 at 10 a.m. This letter is to advise the Commission that Staff is working with the parties to hold a monitoring technical session at 11 a.m. following the prehearing. Staff will file with the Commission a letter report of that September 24 monitoring technical session thereafter.

Sincerely,

A handwritten signature in cursive script that reads "Marcia A. B. Thunberg".
