Special Contract with Progressive Casualty Insurance for ISDN-PRI
Service

TO: Debra Howland, Executive Director
Kate Bailey, Director - Telecommunications

On February 7, 2008, Verizon New Hampshire (Verizon NH) filed New Hampshire related sections of a special contract between Verizon New England and Progressive Casualty Insurance. Under the contract, Verizon NH will provide Progressive Casualty Insurance with ISDN- PRI service, including Port-only with Caller ID without name, and the option to order additional circuits, for a period of 24 months. In support of the filing, Verizon NH submitted records and information, including contract terms and conditions, which are subject to confidential treatment pursuant to RSA 378:43.

Staff has reviewed the cost study data submitted by Verizon NH and confirmed that the contract rates exceed the price floor requirements as defined in Order Nos. 23,357 and 23,493 (Docket No. DT 99-018). Based on its analysis, Staff recommends that the special contract be allowed to go into effect pursuant to RSA 378:18-b, II(a).
