Re: Integrys Energy Services, Inc. Re-Registration Application to become a Competitive Electric Power Supplier in the State of New Hampshire

Dear Ms. Howland:

Please find enclosed a signed officer certification statement and an electronic version of Integrys Energy Services re-registration application. In a mailing dated February 20, 2008 to the New Hampshire Public Utilities Commission, Integrys Energy Services submitted all of the other items requested for the re-registration application. Due to our filing being so voluminous, I will not be sending 8 additional copies, but I will be mailing one copy directly to Henry Bergeron. Should you require the additional copies on top of the one you have already received, please let me know.

If there are any questions or additional information required regarding Integrys Energy Services' application please contact me at 312-681-1855 or by email at aklaviter@integrysenergy.com.

Sincerely,

A handwritten signature in cursive script that reads "Amy Klaviter".
