Re: DT 08-049, Verizon New Hampshire
Interconnection Agreement with MetroPCS Massachusetts, LLC
Amendment No. 1

Dear Mr. Coolbroth:

On March 28, 2008, MetroPCS Massachusetts, LLC (MetroPCS) and Verizon New Hampshire (Verizon) jointly filed a petition for approval of Amendment No. 1 (Amendment) to the Interconnection Agreement (Agreement) between Verizon and MetroPCS pursuant to Section 252 of the Telecommunications Act of 1996, 47 U.S.C. §252(e).

On April 17, 2008, FairPoint Communications (FairPoint) filed a letter informing the Commission of FairPoint's assumption of existing Verizon Agreements following the March 31, 2008 transfer of landline assets and operations from Verizon to FairPoint. As a result, the Verizon-MetroPCS Agreement, as amended, is now a FairPoint-MetroPCS Agreement.

The Commission elects to take no action on this petition. Accordingly, pursuant to 47 USC §252(e) (4), the Amendment to the Agreement will take effect by operation of law 90 days after its filing. Notwithstanding the foregoing, any clause in the Agreement or this Amendment found to be in violation of any Commission order is null and void.

The Commission has updated its records to include the adoption of the Amendment to this Agreement. Docket No. DT 08-049 has been assigned for future reference.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".

Debra A. Howland
Executive Director
