Re: DW 08-088 - Interconnection - SRF Loan

Dear Ms. Howland,

I am writing on behalf of Hampstead Area Water Company ("HAWC") to request that the Commission issue a supplemental order clarifying the scope of its Order No. 24,927 issued February 6, 2009 in this matter. The purpose would be to amend the Commission's authorization for HAWC to borrow up to \$1,100,885 from the New Hampshire Department of Environmental Services includes the authorization for HAWC to grant a security interest in its real and personal property to secure the loan.

Although HAWC, Staff and the OCA were aware that the loan from DES would be secured by HAWC'S assets, the Stipulation submitted to the Commission in this case did not expressly indicate that fact and as a result the Commission's order did not expressly authorize HAWC to grant a security interest. Therefore in order to clarify that HAWC is authorized to grant DES a security interest in HAWC'S real and personal property to secure the DES loan, HAWC requests that the Commission issue a supplemental order to this effect.

It is my understanding that Staff has no objection to this request. If there is anything else that is required by the Commission in this regard, please advise at your earliest convenience. Thank you for your assistance in this regard.

Very truly yours,

Robert C. Levine, Esq.
General Counsel
