Re: DE 08-101, Application of Johnston Landfill for New Hampshire Class III Qualification

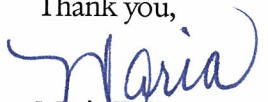

Dear Ms. Howland:

Enclosed is a letter that I thought I caused to be mailed to you in November 2008 in response to the Commission's questions concerning the above-referenced matter. I am sending this letter to you now, with its original date, because it has come to my attention that while I thought I mailed, I did not. Please accept the enclosed with my apologies for the delay.

Of course, if you need additional information, please contact me at 201.447.9000 or send me an e-mail at mhaggerty@ridgewoodpower.com.

Happy New Year.

Thank you,

Maria E. Haggerty
