**Re: Docket No. DE 08-103, Public Service Company of New Hampshire  
Merrimack Station Scrubber Project**

Dear Secretary Howland:

Public Service Company of New Hampshire ("PSNH") is providing the Commission with the attached *Addendum* to its recent "Progress Report" concerning the Clean Air Project's ("Project") legislatively mandated installation of a Wet Flue Gas Desulfurization ("FGD") System (i.e., "Scrubber" technology) at Merrimack Generating Station.

In the time since our report provided last week, PSNH is pleased to report that Merrimack Station's Unit 2 has been tied-in to the Scrubber system, is back on-line, and that the Scrubber is achieving initial SO<sub>2</sub> reductions with both Unit 1 and Unit 2 on-line of 90% or better.

Please let us know if the Commission has any questions concerning the status of the Clean Air Project.

Sincerely,

Robert A. Bersak  
Assistant Secretary and  
Assistant General Counsel
