RE: **DM 08-108, Glacial Energy of New England, Inc.**  
**Competitive Electric Service Provider Renewal**

Dear Ms. Howland,

Glacial Energy of New England, Inc. ("Glacial") is a registered CEPS in the state of New Hampshire. Glacial has an irrevocable Letter of Credit posted in favor of the Commission in the amount of \$350,000. The Letter of Credit contains an "evergreen" renewal clause. On January 13, 2011, Glacial's registration was renewed by the Commission for a period of five years. At that time, however, the Commission indicated that Glacial would be required to file confirmation that the current letter of credit has been renewed in April of each year.

Enclosed please find confirmation from Comerica Bank's Assistant VP of International Trade Services that the Bank renewed Letter of Credit No. 4999-30 (and its Amendment No. 1 dated October 29, 2010), with the Public Utilities Commission as beneficiary. If you require any additional information, please contact me at (202) 421-4855.

Respectfully Submitted,

Adam Gusman  
Corporate Counsel

Randy,

Seems it's LOC season....the attached NH PUC LC is expiring 4/22. We would like to renew it if it hasn't been done already, can you send me the renewal amendment once it is put through?

Thanks,
