Re: New Hampshire Gas Corporation: Winter 2008-2009 CGA: DG 08-117

Dear Ms. Howland:

On behalf of New Hampshire Gas Corporation ("NHGC"), enclosed are an original and eight (8) copies of the revised testimony of Jennifer Boucher, as well as updated schedules in support of NHGC's Winter 2008-2009 CGA to reflect the most recently available information. For the six-month period, the Cost of Gas Rate for the Non-Fixed Option Program is \$1.8139 per therm and \$2.2408 per therm for the Fixed Price Option Program; and the total revenue to be collected by the cost of gas adjustment is \$1,994,882.

Clean and redline versions of Ms. Boucher's testimony are provided to show the changes from the Company's September 15, 2008 filing.

If you require further information, or have any questions, do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Meabh Purcell".
