Enrollment Form to Switch Electric Provider in Connecticut

Agreement:

The purpose of this agreement is to authorize Public Power & Utility, Inc to lower your electric utility bill by changing your electric supplier in territories of Connecticut Light & Power or United Illuminating (CL&P or UI). By signing below, I (customer) authorize the switch from my current electrical supplier to Public Power & Utility, Inc (PP&U).

1) Price: Customer will receive electricity from Public Power & Utility, Inc at a monthly variable generation rate. PP&U customers agree and understand that any potential savings will fluctuate with month to month market conditions. PP&U customers will maintain a price at least 5% below the then current CL&P or UI standard generation rate. See website for current rate and updates.

2) Term: Commercial, Industrial and Municipality customers appoint Public Power & Utility, Inc as the customer's exclusive electric supplier through December 31, 2008. The initial term will automatically renew for successive one year terms. The electric supply under this agreement will start after PP&U provides confirmation to the customer's current utility company and they initiate the change. Customer will be responsible for the cancellation of any previous supplier agreement.

3) Cancellation: Residential customers may cancel at any time for any reason. Commercial, Industrial and Municipality customers may cancel this agreement with a written notice 30 days from end of term. The cancellation will become effective when the customer's new supplier completes the change. Cancellation will not relieve the customer of any obligations for service already provided.

4) Billing: Customer will continue to receive one monthly electric bill processed and provided by CL&P or UI. Payment is due upon receipt of invoice. In the event of a customer's bankruptcy, late payment or nonpayment, PP&U has the right to terminate this agreement.

5) Emergency: In the event of an emergency such as a power failure or a downed power line, customer should call their local distribution company, CL&P 800.286.2000 or UI 800.722.5584.

6) Additional Provisions: If a customer moves to a new address within our current service territory, this agreement will continue to the new location. Obtaining any deposit returns from current supplier is the customer's responsibility. PP&U may modify, reassign or withdraw this agreement at any time if there are adverse changes in the laws, rules or market conditions.

Dear Trevor:

You have requested that the New England Power Pool ("NEPOOL"), a voluntary association of entities that participate in the wholesale electric markets in the six New England states, indicate to you whether Public Power & Utility, Inc. ("PP&U") is a member "in good standing in NEPOOL." This letter is in response to that request.

As of the date of this letter, PP&U is a NEPOOL member entitled to full rights and subject to full obligations of members as set forth in the Second Restated NEPOOL Agreement, which is NEPOOL's governing document. PP&U was accepted for membership in NEPOOL effective as of December 1, 2007 pursuant to an order of the Federal Energy Regulatory Commission ("FERC") issued January 28, 2008 in Docket No. ER08-282-000, subject to the conditions and waivers agreed to between NEPOOL and PP&U as filed with the FERC in that Docket. PP&U has not requested termination of its membership and NEPOOL has no application or request pending for termination of its membership in NEPOOL.

Respectfully,

David T. Doot
Secretary
