**RE: DE 09-035 PSNH Distribution Rate Case
Confidential Materials**

Dear Ms. Howland:

The purpose of this letter is to provide the Commission with copies of two confidential Attachments to the Testimony of Traum and Eckberg that we filed today in the above-referenced docket. Enclosed please find confidential copies of OCA Attachments 8 (Bates page 49) and one page of OCA Attachment 10 (Bates page 87), which are materials provided by PSNH in response to Data Requests. Attachment 8 is covered by a Commission Order granting confidential treatment in this docket; Attachment 10 contains information that the Company has requested that the OCA treat confidentially.

We have served a copy of this letter upon on all parties listed on the service list by electronic mail. We have not provided copies of the confidential Attachments to any parties, because those who are entitled to receive these documents already have them. Please do not hesitate to contact me if you have any questions.

Respectfully,

Meredith A. Hatfield
Consumer Advocate
