Re: DE 09-054, Residential Renewable Electric Generation Incentive Program
Postponement of Public Comment Hearing and Technical Session

To all Interested Stakeholders:

Due to the possibility of inclement weather on January 27th, the Commission has determined that postponing the public comment hearing and subsequent technical session scheduled for January 27, 2015 would be in the best interests of all concerned.

Accordingly, the public comment hearing has been rescheduled to February 5, 2015 at 2:00 p.m., and the technical session will follow at 3:00 p.m. The telephone conference connection will still be provided for stakeholders who wish to participate from a remote location; the teleconference bridge information is as follows: Conferencing service 1 866-951-1151, pin number 1198098.

Sincerely,

A handwritten signature in blue ink, appearing to read "Debra A. Howland".
