Re: DE 09-067, Clean Power Development, LLC
Complaint Against Public Service Company of New Hampshire
Memorandum of Law

To the Parties:

On April 19, 2010, Clean Power Development (CPD) filed a motion for leave to supplement its memorandum of law in the above referenced matter in light of FERC Order, 131 FERC ¶ 61,027, relative to Public Service Company of New Hampshire's mandatory purchase requirement pursuant to PURPA.¹ No objections to the motion have been filed. Accordingly, the Commission has granted CPD's request and established May 19, 2010 as the deadline for all parties to submit supplemental memorandum of law relating to issues raised by the FERC decision.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".
