Re: DE 09-067, Clean Power Development, LLC  
Complaint Against Public Service Company of New Hampshire  
Extension of Time

To the Parties:

On July 13, 2010, Staff filed a request for an extension of time to submit its report and recommendation regarding the easement issues raised by Clean Power Development, LLC (Clean Power) in its June 9<sup>th</sup> correspondence. According to Staff, additional time will allow for further exploration of the issues with Clean Power and Public Service Company of New Hampshire.

The Commission has determined that extending the deadline in which to file Staff's report and recommendation will not unduly delay the proceeding or adversely affect the rights of any party. Accordingly, the deadline for submission has been extended to July 21, 2010.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".
