PETITION TO INTERVENE

In Re: Order of Notice DE-09-067
The State of New Hampshire Public Utilities Commission
Complaint of Clean Power Development, LLC filed 4/7/09

I, James U. McClammer, Jr., New Hampshire State Representative, Sullivan 5, requests intervenor status in the above-mentioned matter, scheduled for hearing November 3, 2009 for the following reasons:

As a ratepayer and representative of the residents of Charlestown, Acworth and Langdon, I am concerned that the Public Service Company of New Hampshire (PSNH) acts in a manner that is in the "public good."

Specifically, I am concerned that PSNH purchases energy at the most competitive prices, and that it encourages the development of alternative and sustainable energy by buying from "green" producers.

Sincerely,

A handwritten signature in cursive script, appearing to read "James U. McClammer, Jr.".
