Re: DG 09 - 139 Rate case expenses

Dear Ms. Howland:

Enclosed are the invoices as backup for the itemization of the rate case expenses for the DG 09-139. The total comes to \$7,768.80. Spread over one year of sales, estimated at 140,000 Mlbs, it will result in a tariff surcharge of \$0.06/Mlb.

We will track the revenues from the surcharge and end the charge once the full amount has been recouped.

Yours Truly,
