Dear Ms. Howland:

Pursuant to an Order of Notice dated October 1, 2009, a prehearing conference was held in the above-captioned docket on October 14, 2009. At the prehearing conference, the Commission granted all pending motions to intervene. Several parties recommended that the Commission grant authority to the utilities to continue the 2009 Core energy efficiency programs until such time as the Commission may issue an order on the instant filing in the event an order was not forthcoming by December 31, 2009. The Commission accepted that recommendation under advisement.

Following the prehearing conference, the parties and Staff met in technical session and commenced discovery. In addition, the parties and Staff developed the following proposed procedural schedule for this docket.

Rebuttal Testimony	December 9, 2009
Technical Session	December 14, 2009 (9:00 a.m.)
