RE: Quarterly Compliance Filing to Qualify for Class II New Hampshire Docket #: DE 10-129,
Quarter 3, 2013.

Dear Ms. Howland,

Attached please find one original and two copies of the quarterly data report, submitted by Conservation Services Group, for the BJ's Wholesale Club Facilities Solar Aggregation ("the Aggregation"), New Hampshire Certification Codes NH-II-10-097 and NH-II-10-098. The report lists each unit in the Aggregation and its electrical output in kWh, as required by the New Hampshire Public Utility Commission as a condition of the Aggregation's New Hampshire Renewable Portfolio Standard Class II approval.

Please submit any questions, concerns or further documentation requests directly to Lisa Barrett at the contact information listed below. Thank you for your time and attention to this matter.
