Debra A. Howland  
Executive Director & Secretary  
New Hampshire Public Utilities Commission  
21 South Fruit Street, Suite 10  
Concord, NH 03301-2429  
Docket #: DE 10-156 (including DE 11-099 and DE 11-100)

RE: Quarterly Compliance Filing to Qualify for Class II New Hampshire Docket #: DE 10-156  
(including DE 11-100 and DE 11-099), Quarter 3, 2013.

Dear Ms. Howland,

Attached please find one original and two copies of the quarterly data report, submitted by Conservation Services Group, for the Princeton Properties Solar Aggregation ("the Aggregation") NH- II-10-091 including dockets DE 10-156 (NH-II-10-074 – NH-II-11-018), Princeton Commons DE 11-099 (NH-II-11-017) and Princeton Boston Road DE 11-100 (NH-II-11-018 – NH-II-11-021). The report lists each unit in the Aggregation and its electrical output in kWh, as required by the New Hampshire Public Utility Commission as a condition of the Aggregation's New Hampshire Renewable Portfolio Standard Class II approval.

Please submit any questions, concerns or further documentation requests directly to Lisa Barrett at the contact information listed below. Thank you for your time and attention to this matter.
