Re: DE 10-160, Public Service Company of New Hampshire
Customer Migration
Extension of Time

To the Parties:

On October 20, 2010, Public Service Company of New Hampshire (PSNH) filed a Motion for Extension of Time to file its Rebuttal Testimony in the above-referenced proceeding. In its request, PSNH states that on September 27, 2010, data requests were sent to Constellation New Energy, Inc., Constellation Energy Commodities Group, the Retail Energy Supply Association, TransCanada Power Marketing, Ltd, TransCanada Hydro Northeast, Inc. and New England Power Generators Association. As of October 20th, New England Power Generators Association had not responded to PSNH's requests, but indicated it would do so by October 22, 2010.

PSNH states in its request that it will need at least a week following receipt of complete responses from the parties before it can file its rebuttal testimony. There were no objections from the parties for the extension.

Based upon the foregoing, the Commission has determined that good cause exists to extend the deadlines to file rebuttal testimony and will not impair the orderly conduct of the proceeding or adversely affect the rights of any party. Rebuttal testimony is now due on or before the close of business on October 29, 2010.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".
