ARTICLE 4. PREREQUISITES FOR PURCHASES

- 4.1 PSNH's obligation to begin the purchase of Products is contingent upon the satisfaction of all the following conditions:
- 4.1.1 Execution of an Interconnection Agreement by the applicable parties and, if required, FERC acceptance and approval of the Interconnection Agreement under Section 205 of the Federal Power Act;

- 4.1.2 PSNH has received evidence to its reasonable satisfaction that Seller has obtained all permits, licenses, approvals and other governmental authorizations needed to commence commercial generation of Products, including certification to produce NH Class I RECs;
- 4.1.3 PSNH has received from the NHPUC a final, nonappealable decision acceptable to PSNH in its sole discretion, approving and allowing for full cost recovery of the rates, terms and conditions of this Agreement;
- 4.1.4 The Parties shall execute as of the In-Service Date, a Purchase Option Agreement that is acceptable to PSNH in its sole discretion in the form as set forth in Appendix B hereto, to be recorded, and PSNH shall have been issued a title insurance policy insuring its rights under the Purchase Option Agreement. The Purchase Option Agreement will provide that the Site Owner (as defined therein) may terminate the Purchase Option Agreement if this Agreement is terminated by Seller by reason of a PSNH Event of Default under Section 12.1.1 hereunder. If the Purchase Option Agreement is terminated for any other reason, PSNH may immediately terminate this Agreement without further liability.

ARTICLE 5. PURCHASE AND SALE OF POWER

- 5.1 Subject to the terms and conditions of this Agreement, Seller shall sell and deliver and PSNH shall purchase and accept delivery of one hundred percent (100%) of the Products produced by the Facility.
- 5.2 The original "Scheduled Operation Date" of the Facility is June 1, 2014. Seller agrees to give notice to PSNH at the end of each calendar quarter of any change in this date and of progress in obtaining permits and constructing the Facility.
- 5.3 Seller shall deliver the Energy to PSNH at the Delivery Point.
- 5.4 Prior to the In-Service Date and satisfaction of the Prerequisites for Purchases listed in Article 4, but subsequent to the execution of an Interconnection Agreement, Seller shall sell and PSNH shall purchase one hundred percent (100%) of the Products generated during this period, including Products generated pursuant to such Facility testing, at the prices set forth in Section 6.1.1.
- 5.5 Following the In-Service Date and subject to the satisfaction of the Prerequisites for Purchases listed in Article 4, throughout the Term, Seller shall deliver to PSNH one hundred percent (100%) of the Products and PSNH shall purchase the Products at the prices set forth in Section 6.1.2.

ARTICLE 6. PRICING

- 6.1 The price to be paid by PSNH to Seller for the Products shall be as follows:
 - 6.1.1 For Products purchased pursuant to Section 5.4:

- (a) All Products except Capacity and NH Class I RECs: PSNH shall pay to Seller the product of the ISO-NE Energy Price and the hourly quantity (MWh) of delivered Energy for its receipt of all Products (including other Renewable Products) except Capacity and NH Class I RECs;
- (b) Capacity: PSNH shall pay to Seller any capacity revenues assigned to the Facility and paid to PSNH by ISO-NE or other compensation realized by PSNH for Capacity from the Facility; and
- (c) NH Class I RECs: PSNH will pay to Seller the product of thirty-five dollars (\$35.00) and the hourly quantity (MWh) of delivered Energy that qualifies to receive NH Class I RECs or upon other mutually agreeable conditions that certify that NH Class I RECs have been delivered to PSNH.

6.1.2 For Products purchased pursuant to Section 5.5:

- (a) All Products except Capacity and NH Class I RECs will be compensated for by multiplying the Adjusted Base Price in \$/MWh by the hourly quantity (MWh) of delivered Energy:
 - (i) The base Energy purchase price (the "Base Price") shall be equal to \$83/MWh.
 - (ii) Beginning with the start of the first full calendar quarter following the In-Service Date, and thereafter on the start of each calendar quarter, the Base Price will be adjusted up or down by the "Wood Price Adjustment" or "WPA". The WPA will reflect the difference between the actual average \$/ton Biomass Fuel cost that PSNH paid for Biomass Fuel at its Schiller station facility ("Schiller Station") during the immediately preceding calendar quarter compared to \$34/ton. This difference (whether positive or negative) in \$/ton will be multiplied by a factor of 1.8 tons/MWh and added to the Base Price. If PSNH (i) materially changes the quality composition of its Biomass Fuel from that utilized by the Schiller Station in calendar year 2008 (by, for example, utilizing lower grade biomass, construction/demolition wastes or co-firing with fossil fuels), or (ii) effectively realizes a material discount or subsidy on its fuel purchases (whether directly or through reduced fuel prices reflecting upstream subsidies) and such discount or subsidy does not provide for similar savings to the Facility's cost of fuel, or (iii) PSNH ceases burning Biomass Fuel at Schiller Station or Schiller Station is not operational, then, for those periods during which either condition (i), (ii) or (iii) is in effect, the WPA shall be based on the difference between the actual average \$/ ton cost of Biomass Fuel at the Facility and \$34/ton, subject to PSNH's audit and independent review of the reasonableness of such actual costs. Thus, as of the start of each calendar quarter,

such adjustment (the "Adjusted Base Price") shall be computed as follows:

$$\text{Wood Price Adjustment (WPA)} = 1.8 \times [\text{actual average \$ /ton} \\ \text{minus \$34/ton}]$$

$$\text{Adjusted Base Price (\$/MWh)} = \text{Base Price} + \text{WPA}$$

- (b) Capacity: PSNH shall pay for Capacity from the Facility as follows:
 - (i) For the first five (5) Operating Years: \$4.25 per kW-month of Capacity.
 - (ii) For each subsequent Operating Year, the Capacity Price shall be increased by \$0.15 per kW-month.
 - (iii) Notwithstanding (i) and (ii) above, any payments for Capacity prior to June 2014 shall be in accordance with the provisions of Section 6.1.1(b).

- (c) NH Class I RECs:

PSNH shall pay to Seller the following amounts for NH Class I RECs upon delivery of NH Class I RECs into the PSNH NEPOOL GIS account or upon other mutually agreeable conditions that certify that NH Class I RECs have been delivered to PSNH:

- (i) For NH Class I RECs that are generated pursuant to Facility operation during the first five (5) Operating Years of the Term, PSNH shall pay the product of (i) eighty percent (80%) of the Renewable Products Payment that is applicable to the period during which the NH Class I REC was generated and (ii) the quantity of NH Class I RECs delivered during that period.
- (ii) For NH Class I RECs that are generated pursuant to Facility operation during Operating Years six (6) through ten (10) of the Term, PSNH shall pay the product of (i) 75% of the Renewable Products Payment that is applicable to the period during which the NH Class I REC was generated and (ii) the quantity of NH Class I RECs delivered during that period.
- (iii) For NH Class I RECs that are generated pursuant to Facility operation during the third five (5) Operating Years eleven (11) through fifteen (15) of the Term, PSNH shall pay the product of (i) seventy percent (70%) of the

Renewable Products Payment that is applicable to the period during which the NH Class I REC was generated and (ii) the quantity of NH Class I RECs delivered during that period.

- (iv) Thereafter for the balance of the Term, PSNH shall pay the product of (i) fifty percent 50% of the applicable Renewable Products Payment that is applicable to the period during which the NH Class I REC was generated and (ii) the quantity of NH Class I RECs delivered during that period.

6.1.3 Reduction of Facility Purchase Price for Over-Market Energy Payments. For each MWh of Energy delivered during the Term of this Agreement, a negative or positive adjustment shall be determined. When the Adjusted Base Price (in \$/MWh) in effect during an hour exceeds the ISO-NE Energy Price in that hour, the hourly negative adjustment shall equal the delivered MWhs multiplied by the difference between the ISO-NE Energy Price and the Adjusted Base Price. When the Adjusted Base Price (in \$/MWh) is less than the ISO-NE Energy Price, the hourly positive adjustment shall equal the delivered MWhs multiplied by the difference between the ISO-NE Energy Price and the Adjusted Base Price. These negative and positive adjustments will be continuously aggregated to determine the cumulative net negative adjustment (the "Cumulative Reduction") or net positive adjustment for the purpose of adjusting the price of any Facility purchase option by PSNH pursuant to Article 7 hereof, if exercised. A resulting net negative adjustment (the "Cumulative Reduction") will serve to reduce the purchase price of the Facility as provided in the Purchase Option Agreement. A resulting net positive adjustment will bestow no rights or obligations on either Party to this Agreement.

6.2 PSNH will have no claims to any Tax/Grant Benefits.

ARTICLE 7. RIGHT OF FIRST REFUSAL AND PURCHASE OPTION

7.1 Right of First Refusal.

- 7.1.1 If at any time Seller desires to sell for cash, cash equivalents or any other form of consideration all or any part of the Facility (except with respect to a sale/leaseback financing or similar project financing or re-financing) pursuant to a bona fide offer (or a proposed offer) of purchase to or from a third party (the "Proposed Transferee"), Seller shall submit a written offer (the "Offer") to sell all or such portion of the Facility, including any associated interests or rights in the Site, described in the Offer (the "Offered Assets") to PSNH or such Affiliate of PSNH designated by PSNH (collectively, "PSNH" for the purposes of this Article 7), on terms and conditions, including price, not less favorable to PSNH than those on which the Seller proposes to sell such Offered Assets to the Proposed Transferee. The Offer shall disclose the identity of the

Proposed Transferee, describe the Offered Assets proposed to be sold and any terms and conditions, including price, of the proposed sale. The Offer shall state that PSNH may acquire the Offered Assets, for the price and upon the other terms and conditions, including deferred payment (if applicable), set forth therein during the 180-day period after the delivery of the Offer by the Seller (the "Offer Period").

7.1.2 If PSNH does not purchase all or part of the Offered Assets, the unpurchased portion of the Offered Assets may be sold by Seller at any time within twelve (12) months after the date that PSNH declined the Offer or failed to close on the Offer. Any such sale shall be to the Proposed Transferee, at not less than the price and upon other terms and conditions, if any, not more favorable to the Proposed Transferee than those specified in the Offer. Any Offered Assets not sold within such twelve (12) month period shall continue to be subject to the requirements of a prior offer pursuant to this Article 7. Pursuant to the provisions of Section 2.4, the new owner of the purchased Offered Assets shall assume all rights and obligations of Seller as set forth in this Agreement, including those with respect to the Cumulative Reduction, including any prior balance thereof accumulated prior to such sale.

7.1.3 If PSNH determines during the Offer Period that it does not desire to acquire the Offered Assets, PSNH shall so notify the Seller. The Offered Assets may be sold by the Seller pursuant to Section 7.1.2 above.

7.2 Purchase Option Agreement.

7.2.1 PSNH shall have the exclusive right to purchase the Facility and all other real, personal and intangible property associated with the Facility and its operations in accordance with the Purchase Option Agreement. Seller shall cause the Site Owner and any successor(s) thereto, other entities that may hold ownership interests in the Facility, any financial lessor of the Offered Assets and any lender holding a security interest in the Facility to agree to the terms of the Purchase Option Agreement as a condition to any sale, financing, refinancing or financial sale/leaseback of the Facility. Further, upon notice to Seller, PSNH may transfer its rights under the Purchase Option Agreement to any PSNH Affiliate or other third party, inclusive of all PSNH rights under the Purchase Option Agreement. In connection with any sale made pursuant to the Purchase Option Agreement, Seller shall convey, or cause to be conveyed, the Facility and all related assets free of material financing liens.

ARTICLE 8. ADMINISTRATIVE COSTS; CHANGE IN REGULATION/LAW

8.1 **Administrative Costs.** Seller is responsible for all costs and administrative burdens of qualifying the Facility to participate in the ISO-NE markets and to participate in or qualify for any program(s) designed to document and/or provide for the sale and transfer of the Facility's Products established by any of the New England States and/or the federal

government from time to time. Seller also agrees, promptly following receipt by Seller of a written request from PSNH, to make commercially reasonable efforts to apply to other programs for the purpose of increasing the value of the Products to PSNH, in whole or in part, pursuant to the terms of this Agreement; *provided*, that such obligation does not require Seller to pursue or remain involved in litigation, assume new capital or operational obligations, or otherwise do more than make and pursue such qualification applications; *provided further*, that if a Change in Law (as hereinafter defined) occurs that would require Seller to make a capital expenditure, to incur any expense, to incur any liability, or to increase operating costs for the Facility in order to continue to produce Renewable Products or for Seller to transfer the Renewable Products to PSNH, at PSNH's sole option so long as PSNH, in a manner reasonably acceptable to Seller, agrees to compensate Seller for all such capital expenditures, costs, losses and expenses and agrees to bear such liabilities, Seller shall (a) take such actions, as reasonably requested by PSNH, and (b) execute such documents as necessary to convey to PSNH the Renewable Products, in a form reasonably acceptable to Seller. If a Change in Law occurs where Seller realizes the monetary value of any Renewable Products and Seller is unable to transfer such Renewable Products to PSNH notwithstanding PSNH's request to transfer such Renewable Products to PSNH and PSNH's willingness to bear any liabilities incurred by Seller or compensate Seller for any expenses, losses or costs as provided above, Seller shall, within thirty (30) days of actual receipt, pay to PSNH the amount that Seller actually receives (net of any costs, taxes or expenses Seller incurs to receive such amounts) as a result of its ownership of the Renewable Products within a reasonable time after such amounts are paid to Seller. Subject to the reimbursement obligations of PSNH with respect to such efforts, Seller shall use commercially reasonable efforts to realize any such monetary value.

ARTICLE 9. CONSTRUCTION, OPERATION AND MAINTENANCE OF THE FACILITY: THE OPERATOR

- 9.1 Seller shall construct, operate and maintain the Facility using Good Industry Practices.
- 9.2 Seller shall construct, operate and maintain the Facility so that it obtains and retains its eligibility to produce NH Class I RECs, subject to the provisions of Section 8.1.
- 9.3 PSNH and Seller will be jointly responsible for administrative actions required to obtain the recognition of Capacity for the Facility within the ISO-NE market. Seller shall not be required to participate in any FCM auction process, nor will Seller be compensated for any Capacity until such Capacity is recognized by ISO-NE per Section 1.7. For the avoidance of doubt, neither Party will hold the other Party liable for any damages related to the degree to which the Facility's capability is recognized as Capacity by ISO-NE. PSNH will have no obligation to make any Capacity payments to Seller unless and until the Facility's capability satisfies the definition of Capacity in Section 1.7.
- 9.4 Every day (including weekends and holidays) by 9:00 a.m. EPT, Seller must provide to PSNH an estimated hourly schedule of deliverables for the following day, *except that* Seller may provide such schedule for weekends and holidays on the preceding Business Day.

- 9.5 Prior to October 1 of each year, Seller shall submit to PSNH for review and comment by PSNH an initial schedule of expected electricity delivery levels for the twelve (12) month period beginning with January of the following year. The schedule shall state the estimated times of operation, amounts of electricity production, number of anticipated shutdowns and reductions of output and the reasons therefore, and the dates and durations of scheduled maintenance, including a specification of maintenance requiring shutdown or reduction in output of the Facility. Subject to the requirements of Good Industry Practices, Seller shall not schedule routine maintenance of the Facility during the months of January, February, June, July or August, and shall consult with PSNH at least thirty (30) days prior to removing the Facility from service for routine maintenance. Seller is required at all times to comply with any outage scheduling procedures or requirements of ISO-NE or successor organization. Seller shall:
- 9.5.1 Consider requests by PSNH for revisions to the schedule within sixty (60) days from PSNH's receipt of the initial schedule, and subsequently advise PSNH of any changes in plan for conducting maintenance that would require an outage expected to be of greater than one (1) week's duration; and
 - 9.5.2 Make all reasonable efforts, consistent with Good Industry Practices, to accommodate any additional changes in the initial schedule requested by PSNH; *provided, however*, that any such changes shall not be expected to reduce the total expected deliveries from the Facility.
- 9.6 Seller shall provide to any relevant person any information that may be required about the Facility's operations from time to time by NEPOOL or ISO-NE.
- 9.7 For the purpose of any bidding and administrative actions associated with NEPOOL or ISO-NE, PSNH shall be considered the Lead Participant as such term is defined by those organizations. The Parties will cooperate and work in good faith to establish mutually acceptable bidding procedures.
- 9.8 If the Facility is required to curtail deliveries of any Products pursuant to the Interconnection Agreement or ISO-NE notifications, Seller shall be entitled to effect such curtailment and PSNH shall have no obligation to pay for any Products that would have been delivered by Seller during such periods for which Seller has curtailed deliveries. PSNH shall have no obligation to accept or pay for any Products associated with energy deliveries in excess of the level to which Seller curtailed its deliveries during such periods, but PSNH shall pay Seller for any Products delivered up to the level to which Seller curtailed during such periods.
- 9.9 Subject only to Good Industry Practices, during any period in which ISO-NE or NEPOOL notifies or causes Seller to be notified that the Facility should operate in a manner to mitigate other operational or electrical problems (such as maintenance, voltage deficiency, or transmission or distribution line loading problems) on ISO-NE's or NEPOOL's electrical system, Seller shall use all reasonable efforts (including, but not limited to, delaying routine maintenance, curtailing output, or increasing output) to comply with ISO-NE or NEPOOL requests to mitigate such operational or electrical

problem. PSNH shall have no obligation to pay for any Products associated with energy deliveries in excess of the level to which Seller was requested to curtail its deliveries pursuant to this Section 9.8. Seller shall also be liable to pay any and all penalties, fines, sanctions, etc. imposed by ISO-NE, NEPOOL, NERC, FERC or any similar or successor organization related to any Facility-related non-compliance with the rules and requirements or such organizations. To the extent any of these penalties, fines, or sanctions are initially assessed to PSNH pursuant to PSNH's role as the purchaser of Products from the Facility or as the Lead Participant for the Facility (as defined in the ISO-NE Documents), PSNH will reduce the Seller's next monthly invoice by the amount of such penalties, fines or sanction or shall otherwise transfer the monetary obligation to Seller.

ARTICLE 10. BILLING AND PAYMENT

- 10.1 PSNH or Interconnecting Utility, as applicable, shall be the designated meter reader by ISO-NE and read Seller's meters.
- 10.2 Not later than five (5) Business Days following the end of each calendar month, PSNH shall read the Seller's meters installed as described in the Interconnection Agreement, calculate a monthly invoice for the applicable Products, and provide this information to Seller within ten (10) days of such reading. Seller shall then return to PSNH the approved invoice for payment and PSNH shall make payments to Seller electronically in immediately available funds for the total amount due within twenty-three (23) days of the meter reading date or ten (10) days of Seller's return to PSNH of the approved invoice, whichever is later; *provided, however*, that payments for NH Class I RECs will occur upon delivery into the PSNH NEPOOL GIS account, or upon other mutually agreeable conditions that certify that any and all NH Class I RECs have been delivered to PSNH. To the extent that PSNH is not satisfied that delivery of any Products has occurred, including but not limited to the satisfactory delivery of Renewable Products, PSNH shall reduce payments in an amount equal to the value of the non-delivered Products.
- 10.3 The Parties hereby agree that they shall discharge mutual debts and payment obligations due and owing under this Agreement and the Interconnection Agreement to each other on the same date, in which case all amounts owed by each Party to the other Party during the monthly billing period under this Agreement and/or the Interconnection Agreement, including any related damages, interest, and payments or credits, shall be netted so that only the excess amount remaining due shall be paid by the Party who owes it. If no mutual debts or payment obligations exist and only one Party owes a debt or obligation to the other during the monthly billing period, including, but not limited to, any related damage amounts, interest, and payments or credits, that Party shall pay such sum in full when due, subject to the provisions addressing disputed amounts set forth in Section 10.5. Except as set forth above in this Section 10.4, all payments hereunder shall be made without set-off or deduction.
- 10.4 Any payment not made by the date required by this Agreement shall bear interest from the date on which such payment was required to have been made through and including the date such payment is actually received at an annual rate equal to the Interest Rate.

- 10.5 If either Party disputes the amount of any bill, it shall so notify the other Party in writing. Each Party receiving a bill shall pay to the other Party any undisputed amount of the bill or charges when due. The disputed amount may, at the discretion of the paying Party, be held by that Party until the dispute has been resolved; provided that the paying Party shall be responsible to pay interest at the Interest Rate on any withheld amounts that are determined to have been properly billed. The disputed amount may be held by the paying Party provided that the paying Party or its guarantor, if applicable, has an Investment Grade Rating, or by a Qualified Institution if the paying Party or its guarantor, if applicable, does not have such a rating. Neither Party shall have the right to challenge any monthly bill or to bring any court or administrative action of any kind questioning the propriety of any bill after a period of twenty four (24) months from the date the bill was delivered to the Party required to make payment thereunder; provided, however, that in the case of a bill based on estimates, such twenty-four month period shall run from the due date of the final adjusted bill.

ARTICLE 11. INTERCONNECTION AND DELIVERY

- 11.1 This Agreement does not provide for any electric service by PSNH to Seller. If Seller requires any electric services from PSNH and is legally entitled to such service from PSNH, Seller shall receive such service in accordance with PSNH's applicable electric tariffs or, if no currently existing tariff is applicable, by special contract subject to the approval of the NHPUC.
- 11.2 Seller shall be responsible for any and all costs, charges and expenses associated with the Facility in connection with transmission and distribution interconnection, service and delivery charges, including all related ISO-NE administrative fees.
- 11.3 In addition to the provisions of Section 12.2.1, for any period during which PSNH does not fulfill its purchase obligations hereunder for any reason, Seller may freely sell (subject to all applicable laws and regulations) any or all of the Facility's Products produced during such period to one or more third parties until such time as PSNH resumes purchases hereunder.

ARTICLE 12. EVENTS OF DEFAULT; REMEDIES

- 12.1 **Events of Default.** An "Event of Default" shall mean, with respect to a Party (a "Defaulting Party"), the occurrence of any of the following:
- 12.1.1 such Party fails to pay an amount due by the due date, and such failure is not remedied within seven (7) Business Days after notice by the other Party; *provided, however*, is such Party fails to remedy payment and such failure is caused not (even in part) by the unavailability of funds but is caused solely by a technical or administrative error, then such Party shall have an additional three (3) Business Days to pay the amount due after notice of failure to remedy by the other Party.
- 12.1.2 any representation or warranty made by such Party herein is false or misleading in any material respect when made or when deemed made or

repeated and the effect of such misrepresentation is not remedied within thirty (30) days after notice by the other Party; provided that, if any such representation or warranty cannot be made true or cured by the Defaulting Party within such 30-day period with exercise of reasonable due diligence, and if the Defaulting Party within such period submits for the Non-Defaulting Party's approval a plan reasonably designed to correct the default within a reasonable additional period of time, then, unless the Non-Defaulting Party reasonably refuses to approve such plan, an Event of Default shall not exist unless and until the Defaulting Party fails to diligently pursue such cure or fails to cure such default within the additional period of time specified by the plan; provided further that, if the Non-Defaulting Party reasonably refuses to approve such plan, the Defaulting Party shall have at least, but no more than, one hundred eighty (180) days after the date of initial notice from the Non-Defaulting Party to cure the default;

12.1.3 the failure to perform any material covenant or obligation set forth in this Agreement (except to the extent constituting a separate Event of Default) if such failure is not remedied within thirty (30) Business Days after notice by the other Party; provided that, if any such default cannot be cured by the Defaulting Party within such 30-day period with exercise of reasonable due diligence, and if the Defaulting Party within such period submits for the Non-Defaulting Party's approval a plan reasonably designed to correct the default within a reasonable additional period of time, then, unless the non-Defaulting Party reasonably refuses to approve such plan, an Event of Default shall not exist unless and until the Defaulting Party fails to diligently pursue such cure or fails to cure such default within the additional period of time specified by the plan; provided further that, if the Non-Defaulting Party reasonably refuses to approve such plan, the Defaulting Party shall have at least, but no more than, one hundred eighty (180) days after the date of initial notice from the Non-Defaulting Party to cure the default;

12.1.4 such Party becomes or is made subject to a reorganization or liquidation proceeding administered pursuant to the U.S. Bankruptcy Code, whether pursuant to a voluntary or involuntary petition; or

12.1.5 such Party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all of its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer, the resulting, surviving or transferee entity fails to assume all the obligations of such Party under this Agreement to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other Party.

12.2 Rights of Non-Defaulting Party

12.2.1 If an Event of Default as set forth in this Article 12 with respect to a Defaulting Party shall have occurred and be continuing, the other Party (the "Non-Defaulting Party") shall have the right to notify the Defaulting Party and (i) designate a day, no earlier than the day such notice is effective and no later

than twenty (20) days after such notice is effective as an early termination date of this Agreement, and/or (ii) withhold any payments due to the Defaulting Party under this Agreement, and/or (iii) suspend performance.

- 12.2.2 Upon an Event of Default, the Non-Defaulting Party, in addition to the rights described in specific sections of this Agreement, and except to the extent specifically limited by this Agreement, may exercise, at its election, any rights or remedies it may have at law or in equity, including but not limited to monetary compensation for damages, injunctive relief and specific performance.

12.3 Other Termination Rights

- 12.3.1 **Seller's Right to Terminate.** This Agreement may be terminated by Seller at any time prior to the In-Service Date in the event that Seller decides to cancel the Project because Seller is unable to procure and have delivered to the Project Site all of the equipment and materials required to construct and operate the Facility at a total installed cost consistent with Seller's budgeted costs on an economically feasible basis with a return on its total investment in the Facility satisfactory to Seller in Seller's sole discretion; *provided, however*, that in such event, Seller shall notify PSNH that Seller is irrevocably terminating Facility development and/or construction, whereupon this Agreement shall terminate without further obligation of either Party except with respect to any PSNH purchase option or right set forth in Article 7; *provided further, however*, that if Seller or an Affiliate of or successor to Seller recommences development and/or construction of the Facility within a twelve-month period from the date of such notice to PSNH, then this Agreement may be reinstated at PSNH's sole option and shall be in full force and effect upon such reinstatement.
- 12.3.2 **PSNH's Right to Terminate.** PSNH may, at its sole option and discretion, terminate this Agreement if (i) Seller announces its plans to permanently shut down the Facility, or (ii) if the In-Service Date is not achieved by December 31, 2014, unless otherwise ordered by the NHPUC or unless the Parties otherwise agree in writing; *provided* that if the In-Service Date is not achieved by June 1, 2014, then Seller shall pay to PSNH damages equal to \$500 per day for each day after June 1, 2014 that the In-Service date is not achieved; and *provided further*, that the June 1, 2014 and December 31, 2014 dates shall be extended day for day for any delays in obtaining any PSNH approvals under Sections 4.1.3 or 4.1.4 above and beyond the date that is the 180th day following the date hereof, but in no event shall any such extension be beyond December 31, 2015, or (iii) Seller fails after the In-Service Date to deliver any Products to the Delivery Point that are required to be delivered hereunder for a period of twelve (12) consecutive months; *provided* that in each case PSNH shall give Seller notice of such termination within ten (10) Business Days after such date; and *further provided* that the twelve (12) month period referred to in subsection (iii) shall be extended for any period that Seller was unable to deliver Products to PSNH in whole or in part as a result of the occurrence of a

Force Majeure event; *and further provided* that any PSNH purchase option or right set forth in Article 7 shall survive such termination.

12.4 Termination Liability

- 12.4.1 If, prior to the In-Service Date, PSNH terminates this Agreement pursuant to Section 12.3.2 or Seller terminates this Agreement pursuant to Section 12.3.1, then neither Party shall have any liability to the other Party pursuant to this Agreement and the Parties shall be released and discharged from any obligations arising or accruing hereunder from and after the date of such termination and shall not incur any additional liability to each other as a result of such termination; provided that such termination shall not discharge or relieve either Party from any obligation that has accrued prior to such termination or from its obligations under certain other provisions of this Agreement as provided in Section 26.5.
- 12.4.2 Further, if Seller terminates this Agreement pursuant to Section 12.3.1 before the In-Service Date or if PSNH terminates this Agreement pursuant to Section 12.3.2 then, for a period of two (2) years following delivery of notice by Seller to PSNH of the termination of this Agreement neither Seller, its Affiliates, successors nor assigns shall: (i) seek to sell, or to sell, any electricity from an electric generating facility on the Project Site to a third person without PSNH's consent; or (ii) be entitled to enter into a long term power sales agreement for the sale of any Products and/or Renewable Energy Certificates from an electric generating facility on the Project Site with any entity other than PSNH; provided, that the foregoing restrictions shall terminate if Seller has offered in writing to PSNH during such period to reinstate this Agreement or enter into a new agreement on the same terms and conditions as this Agreement and PSNH has not agreed in writing to reinstate this Agreement or enter into such a new agreement within ninety (90) days following the receipt by PSNH of such offer.
- 12.4.3 If, following the In-Service Date, either Party terminates this Agreement pursuant to Section 12.2, both Parties shall be discharged from all further obligation under the terms of this Agreement, except (i) any liability which may have been incurred before the date of such termination and any liability on account of such termination, including without limitation the obligation to pay for Products delivered prior to any such termination and/or for all direct damages incurred by the Non-Defaulting Party on account of any termination for default, which obligations shall survive the termination of this Agreement (ii) any PSNH purchase option set forth in Article 7, Right of First Refusal and Purchase Option, and (iii) any liability which survives termination of this Agreement.

ARTICLE 13. TITLE AND RISK OF LOSS; TAXES; INDEMNIFICATION

- 13.1 **Title and Risk of Loss.** Title to and risk of loss related to the Products delivered hereunder shall transfer from Seller to PSNH at the Delivery Point. Seller warrants that it

will deliver to PSNH the Products free and clear of all liens, security interests, claims and encumbrances or any interest therein or thereto by any person arising prior to the Delivery Point.

- 13.2 **Taxes.** With the exception of any sales or gross receipts Taxes that are required by applicable law to be paid by PSNH, Seller shall pay or cause to be paid all present and future Taxes, fees and levies on or with respect to the sale of the Products prior to the Delivery Point. PSNH shall pay or cause to be paid all present and future Taxes, fees and levies on or with respect to the purchase of the Products at, from and after the Delivery Point, other than ad valorem, franchise or income taxes which are related to the sale of the Products and are, therefore, the responsibility of Seller. Each Party shall use reasonable efforts to administer this Agreement and implement its provisions in accordance with the intent of the Parties to minimize the imposition of Taxes, fees and levies.
- 13.3 **Indemnification.** On and after the Effective Date, Seller and PSNH shall each, to the extent permitted by law, indemnify, defend and hold the other, its members, officers, employees and agents (including but not limited to affiliates and contractors and their employees), harmless from and against all liabilities, damages, losses, penalties, claims, demands, suits and proceedings of any nature whatsoever for personal injury (including death) or property damage or otherwise asserted by a third party (a "Claim") that arises from or out of any event or circumstance first occurring or existing during the period when control and title to the Products is vested in such Party or which is in any manner connected with the performance of this Agreement by such Party, except to the extent that such Claim may be attributable to the gross negligence or willful misconduct of the Party seeking to be indemnified.
- 13.4 Either Party may be involved in an action and intend to seek indemnity under this Article 13 from the other Party. If so, the Party seeking indemnity must give prompt notice of the pendency of the action to the other Party. Whether or not notice is given, any Party from whom indemnity might be sought may, but need not, participate in the action for which the indemnity is requested with separate counsel and may assert all defenses available to it.

ARTICLE 14. FORCE MAJEURE

- 14.1 Each Party shall conform to Good Industry Practice in performing its obligations hereunder. Neither Party shall be considered to be in default with respect to any obligation hereunder if prevented or delayed in a material respect from fulfilling such obligation by fire, strikes or other labor difficulties, casualties, civil or military authority, civil disturbance or riot, war, acts of God, acts of public enemy, drought, earthquake, flood, explosion, hurricane, lightning, landslide, or similar cataclysmic occurrence, or if NEPOOL or ISO-NE experiences unplanned-for emergency system conditions, including but not limited to a shortage of available electric generating capacity or an insufficiency of transmission or distribution facilities required for the delivery of Products, such that NEPOOL or ISO-NE either must suspend the supply of one or more of the Products or must curtail or interrupt all or a portion of the Products, or other event beyond the reasonable control of the Party affected ("Force Majeure"); *provided, however*, that the

price or pricing structure of any Product or any applicable fuel or energy source shall not be considered a Force Majeure event.

- 14.2 If either Party is rendered wholly or partly unable to perform its obligations under this Agreement because of Force Majeure, that Party shall be excused from whatever performance is affected by the Force Majeure to the extent so affected; *provided, that* payments due hereunder from either Party to the other when due shall not be excused by Force Majeure (unless the Party's inability to pay arises from a Force Majeure event affecting such Party's payment mechanism or the banking system as a whole); *and provided, further, that*:
- (a) The non-performing Party promptly, but in no case later than five (5) Business Days after the occurrence of the Force Majeure, gives the other Party notice describing the particulars of the occurrence describing, in detail, the nature, extent and expected duration of the Force Majeure;
 - (b) The suspension of performance shall be of no greater scope, and of no longer duration, than is reasonably required by the Force Majeure; and
 - (c) The non-performing Party uses commercially reasonable efforts to remedy its inability to perform.
- 14.3 Neither Party shall be required to settle any strike, walkout, lockout or other labor dispute on terms which, in the sole judgment of the Party involved in the dispute, is contrary to its interest, it being understood and agreed that the settlement of strikes, walkouts, lockouts or other labor disputes shall be entirely within the discretion of the Party having such difficulty.

ARTICLE 15. LIMITATION OF LIABILITIES

- 15.1 Neither Party shall be liable to the other Party in connection with this Agreement for any special, indirect, incidental, consequential, punitive or exemplary damages of any kind, including but not limited to loss of use, and lost profits (past or future), by statute, in tort or contract, under any indemnity provision, or otherwise.

ARTICLE 16. REPRESENTATIONS AND WARRANTIES

- 16.1 Seller hereby represents and warrants to PSNH as follows:
- 16.1.1 Seller has full power and authority to execute and deliver this Agreement, and Seller shall continue to have full power and authority to perform its obligations hereunder, and to consummate the transactions contemplated hereby during the Term of this Agreement. The execution and delivery of this Agreement by Seller and the consummation by it of the transactions contemplated hereby have been duly and validly authorized by all necessary action required on its part and this Agreement has been duly and validly executed and delivered by Seller. For the Term of this Agreement, Seller agrees that this Agreement shall constitute Seller's legal, valid and binding agreement, enforceable against

Seller in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws affecting or relating to enforcement of creditors' rights generally and general principles of equity (regardless of whether enforcement is considered in a proceeding at law or in equity).

- 16.1.2 Neither the execution and delivery of this Agreement by Seller nor the consummation by Seller of the transactions contemplated hereby during the Term of this Agreement will (i) conflict with or result in any breach or violation of any provision of the enabling legislation, bylaws, certificate of formation, LLC agreement, and any other applicable governing or formation documents of Seller, (ii) result in a default (or give rise to any right of termination, consent, cancellation or acceleration) under any of the terms, conditions or provisions of any note, bond, mortgage, indenture, material agreement or other instrument or obligation to which Seller is a party or by which it may be bound, except for such defaults (or rights of termination, cancellation or acceleration) as to which requisite waivers or consents have been obtained; or (iii) constitute violations of any law, regulation, order, judgment or decree applicable to Seller.
- 16.1.3 Except for the Seller Required Approvals, which Approvals Seller agrees to obtain in order to satisfy the Prerequisites for Purchases set forth in Article 4, no consent or approval of, filing with, or notice to, any governmental authority by or for Seller is necessary for the execution and delivery of this Agreement by it, or the consummation by it of the transactions contemplated hereby.
- 16.1.4 Seller agrees that during the Term of this Agreement, Seller shall comply with any and all filing and notice requirements, conditions or orders made part of, included with or subsequently added to Seller Required Approvals. Seller further agrees, during the Term of this Agreement, to fully comply with its organizational and governing documents and determinations of any governmental instrumentality applicable to Seller.

16.2 PSNH hereby represents and warrants to Seller as follows:

- 16.2.1 PSNH is a corporation organized and validly existing under the laws of the State of New Hampshire.
- 16.2.2 PSNH has full corporate power and authority to execute and deliver this Agreement, and PSNH shall continue to have full power and authority, to perform its obligations hereunder and to consummate the transactions contemplated hereby during the Term of this Agreement. Upon the fulfillment of all of the prerequisites for purchases set forth in Article 4, the execution and delivery of this Agreement by PSNH and the consummation by it of the transactions contemplated hereby have been duly and validly authorized by all necessary corporate action required on its part and this Agreement has been duly and validly executed and delivered by PSNH. For the Term of this

Agreement, PSNH agrees that this Agreement shall constitute PSNH's legal, valid and binding agreement of PSNH, enforceable against PSNH in accordance with its respective terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other similar laws affecting or relating to enforcement of creditors' rights generally and general principles of equity (regardless of whether enforcement is considered in a proceeding at law or in equity).

16.2.3 Subject to any required FERC acceptance and approval of the Interconnection Agreement under the Federal Power Act and FERC's Rules of Practice and Procedure, neither the execution and delivery of this Agreement by PSNH, nor the consummation by PSNH of the transactions contemplated hereby during the Term of this Agreement will (i) conflict with or result in any breach or violation of any provision of the certificate of incorporation or bylaws of PSNH, (ii) result in a default (or give rise to any right of termination, consent, cancellation or acceleration) under any of the terms, conditions or provisions of any note, bond, mortgage, indenture, material agreement or other instrument or obligation to which PSNH is a party or by which it may be bound, except for such defaults (or rights of termination, cancellation or acceleration) as to which requisite waivers or consents have been obtained; or (iii) constitute violations of any law, regulation, order, judgment or decree applicable to PSNH.

16.2.4 Except for any required FERC acceptance and approval of the Interconnection Agreement under the Federal Power Act and FERC's Rules of Practice and Procedure and except for the NHPUC final decision referenced in Section 4.1.3, no consent or approval of, filing with, or notice to, any governmental authority by or for PSNH is necessary for the execution and delivery of this Agreement by it, or the consummation by it of the transactions contemplated hereby.

ARTICLE 17. ASSIGNMENT

17.1 This Agreement shall inure to the benefit of and shall be binding upon the Parties and their respective successors and assigns. Except as specified below and in Article 7, the rights and obligations of the Parties to this Agreement may not be assigned by either Party without the prior written consent of the other Party, which consent shall not unreasonably be withheld, conditioned, delayed or denied; provided, however, that no assignment authorized pursuant to this Article 17 shall release the Assigning Party from any of its obligations under this Agreement unless a written release is executed by the non-assigning Party in the non-assigning Party's sole discretion.. As a condition of its consent, any person to whom an assignment is made shall be required to demonstrate, to the reasonable satisfaction of the non-assigning Party, that it is capable of fulfilling the assigning Party's obligations hereunder.

17.2 Notwithstanding Section 17.1, PSNH shall have the right to assign, without the consent of Seller and without recourse to PSNH, all or any part of PSNH's interest and

obligations hereunder to any regulated affiliated New Hampshire electricity distribution company of equivalent or better creditworthiness.

- 17.3 Notwithstanding Section 17.1, Seller shall have the right to assign, without the consent of PSNH, its rights and interests hereunder, including any right to receive payments under this Agreement, to any bank, insurance company, capital fund or similar financial institution or entity providing financing to Seller (including a sale/leaseback financing), *provided that* no such assignment shall relieve Seller of responsibility or liability for the due performance of this Agreement. PSNH agrees, upon receipt of a written request from Seller, to execute a commercially reasonable consent to any such collateral assignment by Seller providing for, among other things, simultaneous notices to Facility capital providers, a right (but not obligation) of such capital providers to cure any Seller default hereunder, and the directing of payments due Seller hereunder directly to such capital providers.
- 17.4 Any purported assignment not in compliance with this Article 17 shall be null and void.

ARTICLE 18. TRANSFER OF OWNERSHIP

- 18.1 Except in connection with a sale/leaseback financing in which Seller remains in control of Facility operations, during the Term hereof, Seller shall not sell or transfer ownership of the Facility without prior written approval of PSNH, which approval shall not be unreasonably withheld or delayed so long as the purchasing entity agrees to assume and be bound by the terms of this Agreement.

ARTICLE 19. AUDIT RIGHTS

- 19.1 PSNH and Seller shall each have the right throughout the Term and for a period of three (3) years following the end of the Term, upon reasonable prior notice, to audit copies of relevant portions of the books and records of the other Party to the limited extent necessary to verify the basis for any claim by a Party for payment from the other Party or to determine a Party's compliance with the terms of this Agreement. The Party requesting the audit shall pay the other Party's reasonable costs allocable to such audit.

ARTICLE 20. GOVERNMENT ACTIONS

- 20.1 Seller and PSNH shall at all times comply with all valid and applicable federal, state and local laws, rules, regulations and orders in connection with the performance of their respective obligations under this Agreement.
- 20.2 Seller shall use commercially reasonable efforts to obtain and retain any permits, licenses, approvals or other governmental authorizations required for the construction and operation of the Facility and Seller's performance pursuant to this Agreement for the Term. PSNH shall cooperate with Seller to obtain and retain such permits, licenses, approvals and authorizations to the extent reasonably requested by Seller, but only to the extent that PSNH does not incur any unreasonable costs in connection with that cooperation.

ARTICLE 21. NOTICES

- 21.1 All notices, including communications and statements which are required or permitted under the terms of this Agreement, shall be in writing, except as otherwise provided or as reasonable under the circumstances. Service of a notice may be accomplished and will be deemed to have been received by the recipient Party on the day of delivery if delivered by personal service, on the day of confirmed receipt if delivered by telegram, registered or certified commercial overnight courier, or registered or certified mail or on the day of transmission if sent by telecopy or email with evidence of receipt obtained, to each Party at the following addresses:

ARTICLE 22. GOVERNING LAW; VENUE

- 22.1 **Governing Law.** Interpretation and performance of this Agreement shall be in accordance with, and shall be controlled by, (i) the laws of the State of New Hampshire other than any conflicts of law provision, the effect of which would be to apply the

substantive law of a state other than the State of New Hampshire to the governance and construction of this Agreement; (ii) Part II of the Federal Power Act, 16 U.S.C. §§824d *et seq.*; (iii) Part 35 of Title 18 of the Code of Federal Regulations, 18 C.F.R. §§ 35 *et seq.*; and (iv) present and future laws and present and future regulations or orders properly issued by local, state, or federal bodies having jurisdiction over the matters set forth herein.

- 22.2 **Venue.** Subject to Article 25, Dispute Resolution, any dispute arising out of this Agreement shall be brought in a court of competent jurisdiction located in Manchester in the State of New Hampshire. Each Party irrevocably waives any objection which it may have to the venue of any proceeding brought in any such court and waives any claim that such proceedings have been brought in an inconvenient forum.

ARTICLE 23. CHANGE IN LAW

- 23.1 **Change in Law.** If, during the Term, a Change in Law occurs or any of the ISO-NE Documents are changed, resulting in elimination of or a material adverse affect upon a material right or obligation of a Party, then unless such Change in Law is otherwise specifically addressed herein, the Parties will negotiate in good faith in an attempt to amend this Agreement to incorporate such changes as they mutually deem necessary to reflect the Change in Law or the change in any ISO-NE Documents. The intent of the Parties is that any such amendment reflects, as closely as possible, the intent and substance of the economic bargain before the Change in Law or the change in any ISO-NE Documents. If the Parties are unable to reach agreement on such an amendment, the Parties agree to resolve the matter pursuant to the terms of Article 25 of this Agreement.

ARTICLE 24. FERC AND NHPUC REVIEW; CERTAIN COVENANTS AND WAIVERS

- 24.1 It is the intention of the Parties that neither Seller nor PSNH shall have the unilateral right to make a filing with FERC under any section of the Federal Power Act, or with the NHPUC, seeking to change the charges or any other terms or conditions set forth in this Agreement for any reason. The preceding sentence shall not prevent either Party from participating in or initiating any proceeding at FERC concerning a change to the ISO-NE Documents that impact this Agreement.
- 24.2 It is the intention of the Parties that any authority of FERC or the NHPUC to change this Agreement shall be strictly limited to that authority which applies when the Parties have irrevocably waived their right to seek to have FERC or the NHPUC change any term of this Agreement.
- 24.3 FERC Standard of Review; Certain Covenants and Waivers.
- 24.1.1 Absent the agreement of all Parties to a proposed change, the standard of review for changes to any section of this Agreement specifying the pricing or other material economic terms and conditions agreed to by the Parties herein, whether proposed by a Party, a non-party or FERC acting sua sponte, shall solely be the "public interest" application of the "just and reasonable" standard of review set forth in *United Gas Pipe Line Co. v. Mobile Gas Service Corp.*,

350 U.S. 332 (1956) and *Federal Power Commission v. Sierra Pacific Power Co.*, 350 U.S. 348 (1956) and clarified by *Morgan Stanley Capital Group, Inc. v. Public Util. Dist. No. 1 of Snohomish*, 128 S.Ct. 2733 (June 26, 2008) (the “*Mobile-Sierra*” doctrine).

- 24.1.2 The Parties, for themselves and their successors and assigns, (i) agree that the “public interest” standard of review shall apply to any proposed changes in any other documents, instruments or other agreements executed or entered into by the Parties in connection with this Agreement, and (ii) hereby expressly and irrevocably waive any rights they can or may have to the application of any other standard of review, including the “just and reasonable” standard.
- 24.1.3 Notwithstanding the foregoing Sections 24.3.1 and 24.3.2, to the fullest extent permitted by applicable law, each Party, for itself and its successors and assigns, hereby also expressly and irrevocably waives any rights it can or may have, now or in the future, whether under §§ 205 and/or 206 of the Federal Power Act or otherwise, to seek to obtain from FERC, or to support another in obtaining, by any means, directly or indirectly (through complaint, investigation or otherwise), and each hereby covenants and agrees not at any time to seek to so obtain, or support another in obtaining, an order from FERC changing any section of this Agreement specifying the pricing, charges, classifications or other economic terms and conditions agreed to by the Parties. It is the express intent of the Parties that, to the fullest extent permitted by applicable law, the “sanctity of contract” principles acknowledged by FERC in its Notice of Proposed Policy Statement (issued August 1, 2002) in Docket No. PL02-7-000, Standard of Review for Proposed Changes to Market-Based Rate Contracts for Wholesale Sales of Electric Energy by Public Utilities, shall prevail, notwithstanding any changes in applicable law or markets that may occur. In the event it were to be finally determined that applicable law precludes one or both Parties from waiving its rights to seek changes from FERC to its market-based power sales contracts (including entering into covenants not to do so) then this Section 24.3.3 shall not apply, *provided that*, consistent with Section 24.3.1, neither Party shall seek any such changes except under the “public interest” standard of review and otherwise as set forth in Section 24.3.1.
- 24.1.4 The Parties agree that in the event that any portion of this Section 24.3 is determined to be invalid, illegal or unenforceable for any reason, the remaining provisions of Section 24.3 shall be unaffected and unimpaired thereby, and shall remain in full force and effect, to the fullest extent permitted by applicable law.

ARTICLE 25. DISPUTE RESOLUTION

- 25.1 **Negotiation Between Executives.** The Parties shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by negotiation between executives who have authority to settle the controversy and who are at a higher level of management than the persons with direct responsibility for administration of this

Agreement. Any Party may give the other Party notice of any dispute not resolved in the normal course of business. Such notice shall include: (a) a statement of that Party's position and a summary of arguments supporting that position; and (b) the name and title of the executive who will be representing that Party and of any other person who will accompany the executive ("Initial Notice"). Within five (5) Business Days after delivery of the Initial Notice, the receiving Party shall respond with: (a) a statement of that Party's position and a summary of arguments supporting that position; and (b) the name and title of the executive who will represent that Party and of any other person who will accompany the executive. Within ten (10) Business Days after delivery of the Initial Notice, the executives of both Parties shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to resolve the dispute. All reasonable requests for information made by one Party to the other will be honored. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence.

- 25.2 Mediation. If the dispute has not been resolved by negotiation within twenty (20) Business Days of the disputing Party's Initial Notice, or if the Parties failed to meet within five (5) Business Days of the delivery of the Initial Notice, the Parties shall endeavor to settle the dispute by mediation under the then-current CPR Mediation Procedure. Unless otherwise agreed, the Parties will select a mediator from the CPR Panels of Distinguished Neutrals.
- 25.3 Arbitration. Except in cases where the dispute is subject to NHPUC and/or FERC jurisdiction, any dispute arising out of or relating to this Agreement, including the breach, termination or validity thereof, which has not been resolved by one of the non-binding procedures set forth in Sections 25.1 and 25.2 within thirty (30) Business Days of the delivery of Initial Notice, shall be finally resolved by binding arbitration in accordance with the then-current CPR Rules for Non-Administered Arbitration (the "CPR Rules") by a sole arbitrator, for disputes involving amounts in the aggregate under three million dollars (\$3,000,000), or three arbitrators, for disputes involving amounts in the aggregate equal to or greater than three million dollars (\$3,000,000), of whom each Party shall designate one in accordance with the "screened" appointment procedure provided in Rule 5.4 of the CPR Rules; *provided, however*, that if either Party will not participate in a non-binding procedure, the other may initiate arbitration before expiration of the above period. The arbitration shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1-16, with appeals limited to the grounds expressed therein, and judgment upon the award rendered by the arbitrator(s) may be entered by any court having jurisdiction thereof. The place of arbitration shall be Manchester, New Hampshire. The arbitrator(s) are not empowered to award damages in excess of compensatory damages and each Party expressly waives and forgoes any right to punitive, exemplary or similar damages unless a statute requires that compensatory damages be increased in a specified manner.
- 25.4 The fees and expenses associated with mediation and arbitration, including the costs of arbitrators, shall be divided equally between the Parties. Each Party shall be responsible for its own legal fees, including but not limited to attorney fees. The Parties may, by written agreement signed by both Parties, alter any time deadline, location(s) for meeting(s), or procedure outlined herein or in the CPR Rules. The procedure specified herein shall be the sole and exclusive procedure for the resolution of disputes arising out

of or related to this Agreement. To the fullest extent permitted by law, any resolution, mediation or arbitration proceeding and the settlement or arbitrator's award shall be maintained in confidence by the Parties.

- 25.5 **WAIVER OF JURY TRIAL.** EACH PARTY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF, RESULTING FROM OR IN ANY WAY RELATING TO THIS AGREEMENT.

ARTICLE 26. MISCELLANEOUS

- 26.1 **Confidentiality.** The terms of this Agreement, and any other information exchanged by PSNH and Seller relating to this Agreement, shall not be disclosed to any person not employed or retained by the PSNH or Seller or their Affiliates, except to the extent disclosure is (1) required by law, required to be made to any governmental authority for obtaining any approval, permits and licenses, or making any filing in connection therewith, required by the Interconnection Agreement or delivered by Seller to ISO-NE or to any Person exercising authority over Seller or the Facility for the purpose of maintaining the safety or reliability of the electric system into which the Energy output is delivered, (2) reasonably deemed by the disclosing Party to be required to be disclosed in connection with a dispute between or among the Parties, or the defense of any litigation or dispute, or any financing related to the Facility, (3) otherwise permitted by consent of the other Party, which consent shall not be unreasonably withheld, (4) required to be made in connection with regulatory proceedings (including proceedings relating to FERC, the United States Securities and Exchange Commission or any other federal, state or provincial regulatory agency) or pursuant to the rules or regulations of any stock exchange to which a Party or any of its Affiliates are bound. In the event disclosure is made pursuant to this provision, the Parties shall use reasonable efforts to minimize the scope of any disclosure and have the recipients maintain the confidentiality of any documents or confidential information covered by this provision, including, if appropriate, seeking a protective order or similar mechanism in connection with any disclosure. This provision shall not apply to any information that was or is hereafter in the public domain (except as a result of a breach of this provision). The Parties specifically agree that any press release or other public statement that addresses specific commercial terms of this Agreement shall be mutually agreed upon and the text thereof approved by the Parties.
- 26.2 **Project Financial Information.** Seller agrees to provide project financial information related to the Facility as reasonably requested from time to time by PSNH in order to meet PSNH's FASB, SEC and FERC accounting and reporting requirements.
- 26.3 **Severability.** The provisions of this Agreement are severable. To the extent that any provision hereof is determined to be invalid pursuant to any applicable statute or rule of law, such invalidity shall not affect any other provision hereof, and this Agreement shall be interpreted as if such invalid provision were not a part hereof.

- 26.4 **Waiver.** No waiver by either Party of the performance of any obligation under this Agreement or with respect to any default or any other matter arising in connection with this Agreement shall be deemed a waiver with respect to any subsequent performance, default or matter.
- 26.5 **Survivability.** This Agreement shall survive termination, expiration, cancellation, suspension, or completion of the agreements set forth herein to the extent necessary to allow for final accounting, final billing, billing adjustments, resolution of any billing dispute, resolution of any court or administrative proceeding and final payments. All billing verification rights and confidentiality obligations shall survive for two (2) years beyond the applicable terms, and indemnification provisions shall survive for the full statutory period allowable by applicable law.
- 26.6 **No Duty to Third Parties.** Nothing in this Agreement nor any action taken hereunder is intended to or shall be construed to create any duty, liability or standard of care to or from any person not a Party to this Agreement. However, lenders to the Seller or to the Facility may have the option to perform certain Seller obligations as defined more fully under the terms of the financing documents related to the Facility.
- 26.7 **Amendment.** No amendment of all or any part of this Agreement shall be valid unless it is reduced to writing and signed by both Parties and, in the case of a material amendment, approved by the NHPUC.
- 26.8 **Complete and Full Agreement.** This Agreement sets forth the entire agreement of the Parties with respect to the subject matter herein, and takes precedence over all prior understandings between the Parties, and binds and inures to the benefit of the Parties, their successors and assigns.
- 26.9 **Counterparts.** Any number of counterparts of this Agreement may be executed and each shall have the same force and effect as the original.

IN WITNESS WHEREOF, PSNH and Seller have caused this Agreement to be executed by their respective duly authorized officers as of the date first above written.

The Facility will be located at the former Fraser Paper Mill located at Commercial Street in Berlin, NH (the "Project Site"). The Facility will be designed to have a net electric output at standard conditions of approximately 64 MW (winter) and 61 MW (summer). The Facility is expected to utilize Biomass Fuel as its primary fuel. The Facility will be designed and operated as a NH Class I renewable energy source. The Facility is associated with queue position #251 in the ISO-NE Study Request Database.

APPENDIX B

FORM OF PURCHASE OPTION AGREEMENT

This PURCHASE OPTION AGREEMENT (this "Option Agreement") is made as of _____, 20__ (the "Effective Date") by and between **Public Service Company of New Hampshire**, a New Hampshire corporation ("PSNH"), **PJPD Holdings, LLC**, a Delaware limited liability company ("Site Owner"), and **Laidlaw Berlin Biopower, LLC**, a Delaware limited liability company ("LBB"). PSNH, Site Owner and LBB (together with their respective successors and assigns) are the "Parties" and each individually is a "Party" to this Option Agreement.

RECITALS:

A. Site Owner and LBB are developing a biomass fueled electric generating facility having a gross generating capacity output of approximately 70 megawatts (the "Facility") located on an approximately sixty two (62)-acre site in Berlin, New Hampshire, as more particularly described in Exhibit "A" attached hereto and made a part hereof (the "Facility Site"). For purposes of this Option Agreement, the Facility Site includes all land described in Exhibit "A" and all easements, rights and other real estate interests appurtenant thereto, whether now owned or hereafter acquired by Site Owner, for the use or benefit of the Facility Site and the Facility, and the Facility includes all equipment, generators, boilers, transformers, switching equipment, transmission lines, and other fixtures, trade fixtures, together with articles of personal property necessary to or convenient for the operation of the Facility.

B. Site Owner is the sole owner in fee simple of the Facility Site and the Facility under the deed or deeds recorded in the Coos County Registry of Deeds at Book 1265, Page 1025. The Facility Site is a separate tax and zoning lot (or lots) on the zoning and tax assessment records of the City of Berlin, designated as Tax Map: 129, Parcel: 54.01, 54.001.

C. LBB and Site Owner anticipate that subsequent to the execution and recording of this Option Agreement, Site Owner will continue to be the sole owner in fee simple of, and will lease the Facility and Facility Site to LBB under a sale/leaseback financing arrangement, with all such arrangements being expressly made subject and subordinate to PSNH's rights hereunder.

D. PSNH and LBB have entered into a certain Power Purchase Agreement dated as of _____, 2010 (the "PPA") under which PSNH has agreed to purchase the Facility output conditioned upon, among other things, the execution and recording of this Option Agreement.

NOW THEREFORE, in consideration of PSNH's promises to purchase the "Products" (as defined in the PPA) of the Facility at the prices and under the terms of the PPA, and other good and valuable consideration, the Parties agree as follows:

1. **Grant of Option.** Site Owner hereby grants to PSNH, and its successors and assigns, for the fixed period co-extensive with the fixed period of the twenty (20) "Operating Years" from the "In-Service Date" (as defined under the PPA), an exclusive, irrevocable option (the "Option") to purchase the Facility and the Facility Site (together, the "Facility Assets") within the Option Exercise Period hereafter stated and subject to the purchase conditions and terms hereafter stated. Upon the exercise of the Option by PSNH, this Option Agreement shall constitute the agreement of sale and purchase between the Parties with respect to the Facility Assets. LBB hereby takes and confirms notice of the Option as an interest in the Facility and Facility Site that is prior in right to any leasehold or other estate granted to LBB by Site Owner.

2. **Option Exercise Period and Termination.**

(a) Except as otherwise provided herein, the "Option Exercise Period" shall commence on the date that is the day after the 20th anniversary date of the designated "In-Service Date" under the PPA and shall extend for one hundred and twenty (120) days. This Option Agreement shall terminate upon the expiration or termination of the Option Exercise Period; provided that if the Option is exercised as provided herein within the Option Exercise Period, then this Option Agreement shall remain in effect to the extent necessary to complete the transactions contemplated hereunder.

(b) Notwithstanding the forgoing, Site Owner may terminate this Option Agreement and the Option without further obligation of any Party at any time subsequent to a valid termination of the PPA by LBB pursuant to Section 12.1.1 of the PPA. This Option Agreement shall otherwise remain in full force and effect as set forth in Section 2(a) above.

3. **Exercise of Option.** In order to exercise the Option, PSNH shall provide a written notice to the Site Owner (or any successor thereof of record) within the Option Exercise Period, which notice shall include a statement of the value of the Cumulative Reduction (as defined in the PPA) existing as of the date of expiration or termination of the PPA. PSNH shall provide such information as Site Owner shall reasonably request supporting the calculation of the Cumulative Reduction. Any disagreement between the Parties as to the calculation of such Cumulative Reduction Value will be resolved as per Section 13 below, but no such request for supporting information or dispute shall negate the effectiveness of PSNH's notice of the exercise of the Option. If PSNH exercises the Option within the Option Exercise Period, then the Parties will use diligent and good faith efforts to close on the transfer of the Facility Assets to PSNH as soon as reasonably practicable, and in no case later than one hundred eighty (180) days from PSNH's notice exercising the Option.

4. **Purchase Price.**

(a) The "Purchase Price" for the Facility Assets pursuant to the Option shall equal (i) the fair market value of the Facility Assets as of commencement of the Option Exercise Period (assuming the Facility Assets are sold free of all financing liens and encumbrances) less (ii) any positive Cumulative Reduction value, provided that the Purchase Price shall not be less than zero.

(b) If the Parties are unable to establish a mutually-agreeable fair market valuation for the Facility Assets within the first twenty (20) days after the exercise of the Option, then PSNH and Site Owner shall each select two (2) qualified independent commercial appraisers to provide a fair market valuation of such Facility Assets. The highest and lowest of the resulting four (4) appraisal valuations shall be discarded, and the remaining two (2) valuations shall be averaged to arrive at a binding fair market value for the Facility Assets as soon as practicable (and no later than 70 days after the exercise of the Option). Any disputed and unresolved issues, other than establishment of the Purchase Price, shall be submitted for dispute resolution in accordance with Section 13 below. The appraisals shall be based on the value of the highest and best use of the Facility Assets for their then existing use as an electric generating facility (whether as an operational facility or otherwise), and will not take into account the existence of this Option Agreement, the status or value of the PPA, or the Cumulative Reduction.

6. Due Diligence, Inspection and Investigation.

(a) At any time during the Option Exercise Period, at the request of PSNH, or its duly authorized agents, contractors or consultants, Site Owner and LBB will promptly provide PSNH with access to all documents and records in their possession regarding the Facility Assets and their operation, including (but not limited to) permits, licenses, contracts, leases, project documents, material warranties, operational reports, invoices, financial statements, operational books and records, maintenance and repair records, property tax bills, surveys, agreements with governmental agencies, environmental site assessments, engineering studies or reports, plans, and other documents or reports of whatever nature or description and relating to the Facility Assets and reasonably required by PSNH to evaluate the condition of, title to, and operational economics of the Facility Assets.

(b) At any time during the Option Exercise Period, PSNH, or its duly authorized agents, contractors or consultants, at its own expense may enter and inspect, examine, test and assess the Facility Assets, including, but not limited to, the soil, subsoil, topography, existing fill, drainage, surface and groundwater quality, air and water rights, availability of utilities, zoning, legal compliance, access, suitability, assessments, encroachments, environmental matters, flood plain analysis, wetland requirements, title matters, taxes and all other inspections deemed necessary, desirable or appropriate by PSNH, and Site Owner and LBB shall fully cooperate with PSNH in promptly providing access to the Facility Assets for such purposes.

(c) In making any entry pursuant to paragraph (b) above, PSNH and its agents, employees, contractors and representatives shall: (i) enter upon the Facility and the Facility Site at their own risk; (ii) conduct all activities on the Facility and the Facility Site in such a way as to minimize damage to the Facility Assets or disruption of Facility operations, indemnify Site Owner and LBB for any actual damages caused by entry activities and remedy the effects of such entry on the Facility and Facility Site; and (iii) conduct all activities on the Facility and the Facility Site under commercially appropriate liability insurance and at the sole cost and expense of PSNH. Each of LBB and Site Owner shall cause its officers, employees and any other person operating or otherwise

in possession of the Facility Assets to provide entry to the Facility and the Facility Site to PSNH and its duly authorized agents, contractors and consultants, for the purposes described in this Option Agreement.

(d) Notwithstanding anything to the contrary contained in this Option Agreement, PSNH reserves the right to review and consider the results of its due diligence inspections and investigations of the Facility Assets, and to determine whether and to what extent the results of same are satisfactory to PSNH, or not, in its sole and absolute discretion.

7. Title and Title Insurance.

(a) Concurrently with the execution of this Option Agreement and a recording of a memorandum thereof, Site Owner and LBB, at their sole cost and expense, shall be required to obtain and provide to PSNH a policy of title insurance issued by a nationally recognized title insurance company, in form and content acceptable to PSNH insuring PSNH's interest in and under this Option Agreement as of the Effective Date, free of all secured lending arrangements, mortgages, leaseholds and other liens and encumbrances upon the Facility and Facility Site as of the Effective Date, and subject only to those existing easements, covenants and restrictions of record as PSNH shall determine after suitable review and in its sole discretion are acceptable as necessary or appropriate to operate or maintain the Facility on the Facility Site, will not materially interfere with or restrict such operation or maintenance, or are otherwise acceptable (the "Permitted Encumbrances"). The amount of such title insurance shall be Forty Seven Million Dollars (\$47,000,000), and shall include an endorsement to coverage affirmatively insuring the Option Agreement and PSNH's interest thereunder against unenforceability or other loss due to or resulting from violation of the New Hampshire Rule Against Perpetuities. A Commitment of Title Insurance shall be provided to PSNH prior to execution of this Option Agreement and the recording of a memorandum thereof, to allow for PSNH's suitable review to determine compliance with this provision.

(b) All secured lending arrangements, mortgages, leaseholds and other liens and encumbrances upon the Facility Site and other Facility Assets as of the Effective Date shall be discharged or fully subordinated to PSNH's rights under this Option Agreement. Subsequent to the Effective Date, Site Owner may grant or allow, without PSNH's consent but with notice to PSNH, any mortgage, security interest, leasehold, or other lien, encumbrance, or conveyance of or upon the Facility Assets that it determines necessary or appropriate in connection with the financing and operations of the Facility Assets (the "Subsequent Encumbrances"); *provided*, that all such Subsequent Encumbrances shall remain subject and subordinate to the prior Option rights of PSNH hereunder. PSNH may require that the holder of any Subsequent Encumbrance confirm PSNH's prior rights hereunder. PSNH will not unreasonably withhold its consent to the subordination of its rights hereunder to a Subsequent Encumbrance that is not a mortgage, grant of any security interest, leasehold or other similar lien, and is necessary or appropriate to operate or maintain the Facility Assets, such as third party utility or service easements. Nothing in this Option Agreement shall act as a restraint on the sale or transfer of the Facility Assets; *provided*, that any such sale or transfer

shall remain expressly subject to PSNH's rights hereunder, which rights shall be binding on any subsequent owner of any Facility Asset.

(c) During the Option Exercise Period, PSNH shall be entitled, at its sole cost and expense, to examine the title to the Facility Assets and to obtain a commitment from a title insurance company acceptable to PSNH evidencing satisfactory title vested in the Site Owner as of the effective date thereof, and pursuant to which such title insurance company agrees to issue to PSNH, in form and content acceptable to PSNH, an owner's policy of title insurance, for an amount not less than the Purchase Price to be determined hereunder, at standard premium rates, and subject only to the standard policy coverage terms, conditions, exceptions and exclusions, but excepting the Permitted Encumbrances and those new or additional existing easements, covenants and restrictions of record, if any, as PSNH shall determine after suitable review in its sole discretion are acceptable as necessary or appropriate to operate or maintain the Facility on the Facility Site, will not materially interfere with or restrict such operation or maintenance, or are otherwise acceptable (the "Additional Permitted Encumbrances").

8. Conveyance of Title. At closing on transfer of the Facility Assets pursuant to an exercise of the Option, Site Owner shall cause to be executed and delivered to PSNH or its successor or assignee a quitclaim deed or deeds, and such assignments, bills of sale and other customary conveyance documents, all in form and content acceptable to PSNH and its title insurer, as are necessary for conveying good and insurable title to the Facility Assets free from all defects, liens, security interests, easements, restrictions, covenants, encroachments, and any other encumbrances, except: (i) real estate taxes and assessments not yet due and payable; (ii) the Permitted Encumbrances and the Additional Permitted Encumbrances, if any; and (iii) such other matters as may be consented to or waived in writing by PSNH at any time prior to such closing. In connection with any such closing, Site Owner and/or LBB shall cause to be transferred to PSNH (to the extent assignable or transferable) by such transfer instruments as shall in form and content be acceptable to PSNH all other personal and intangible property held or controlled by either of them with respect to the Facility or Facility Site, including but not limited to permits, authorizations, exemptions, agreements, vehicles, tools, inventory and spare parts. All Facility Assets will be transferred on an "as is" basis without warranties as to physical condition.

9. Closing Expenses and Apportionments.

(a) All real estate and personal property taxes and assessments, including all unpaid portions of any general or special assessments, levied or assessed against the Facility and the Facility Site ("Taxes"), shall be apportioned between the Parties as of the closing in accordance with closing practice in Coos County, New Hampshire.

(b) Unless otherwise specified herein, all Taxes that are the subject of a statutory lien on the Facility or the Facility Site as of the closing shall be paid by the Site Owner.

(c) Site Owner shall pay for (i) costs to discharge or clear any unpermitted liens or encumbrances, (ii) the costs of any appraisals it is required to provide under

Section 5(b); (iii) the costs of its own legal and accounting fees; (iv) one half of the NH Real Estate Transfer Tax; and (v) all fees and costs associated with the transfer or assignment of all permits, licenses and approvals then in effect with respect to the Facility and its operations ("Facility Authorizations").

(d) PSNH shall pay for (i) one half of the NH Real Estate Transfer Tax, (ii) closing title searches and title insurance premium for any Owner's Policy, (iii) the costs of any appraisals it is required to provide under Section 5(b); (iv) the costs of its own legal and accounting fees; and (v) the cost of obtaining any authorization required for PSNH to exercise the Option and take assignment of the Facility Assets, including any assigned Facility Authorizations.

10. Representations, Warranties, and Covenants of the Parties. Each Party hereby represents and warrants to the other Parties as follows as of the Effective Date:

(a) Such Party is not a party to any contract or agreement of any kind whatsoever, written or verbal, which would materially impair its ability to comply with the terms of this Option Agreement.

(b) The Party is a duly formed legal entity, validly existing under the laws of the state of its formation, is qualified to do business in the state of New Hampshire, and has all requisite power and authority to enter into this Option Agreement and to render the performance contemplated hereby.

(c) This Option Agreement is the valid and binding obligation of the Party, enforceable in accordance with its terms.

11. Binding Effect, Assignments. The terms, covenants and conditions of this Option Agreement shall be binding upon and enforceable by the successors and assigns of the Parties. PSNH may assign its rights hereunder to any third party at any time upon prior written notice to Site Owner and LBB, such written notice to include a written confirmation of acceptance by the assignee. PSNH may record a memorandum evidencing any such assignment.

12. Governing Law. This Option Agreement shall be governed in all respects by the laws of the State of New Hampshire. Any rule against perpetuities under New Hampshire law shall not apply to this Option Agreement.

13. Dispute Resolution.

(a) **Negotiation Between Executives.** The Parties shall attempt in good faith to resolve any dispute arising out of or relating to this Option Agreement promptly by negotiation between executives who have authority to settle the controversy and who are at a higher level of management than the persons with direct responsibility for administration of this Agreement. Any Party may give the other Party notice of any dispute not resolved in the normal course of business. Such notice shall include: (a) a statement of that Party's position and a summary of arguments supporting that position;

and (b) the name and title of the executive who will be representing that Party and of any other person who will accompany the executive ("Initial Notice"). Within seven (7) days after delivery of the Initial Notice, the receiving Party shall respond with: (a) a statement of that Party's position and a summary of arguments supporting that position; and (b) the name and title of the executive who will represent that Party and of any other person who will accompany the executive. Within fifteen (15) days after delivery of the Initial Notice, the executives of both Parties shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to resolve the dispute. All reasonable requests for information made by one Party to the other will be honored. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence.

(b) Mediation. If the dispute has not been resolved by negotiation within thirty (30) days of the disputing Party's Initial Notice, or if the Parties failed to meet within seven (7) days of the delivery of the Initial Notice, the Parties shall endeavor to settle the dispute by mediation under the then-current CPR Mediation Procedure. Unless otherwise agreed, the Parties will select a mediator from the CPR Panels of Distinguished Neutrals.

(c) Arbitration. Any dispute arising out of or relating to this Option Agreement, including the breach, termination or validity thereof, which has not been resolved by one of the non-binding procedures set forth above within forty five (45) days of the delivery of Initial Notice, shall be finally resolved by binding arbitration in accordance with the then-current CPR Rules for Non-Administered Arbitration (the "CPR Rules") by a sole arbitrator, for disputes involving amounts in the aggregate under three million dollars (\$3,000,000), or three arbitrators, for disputes involving amounts in the aggregate equal to or greater than three million dollars (\$3,000,000), of whom each Party shall designate one in accordance with the "screened" appointment procedure provided in Rule 5.4 of the CPR Rules; *provided, however*, that if either Party will not participate in a non-binding procedure, the other may initiate arbitration before expiration of the above period. The arbitration shall be governed by the Federal Arbitration Act, 9 U.S.C. §§ 1-16, with appeals limited to the grounds expressed therein, and judgment upon the award rendered by the arbitrator(s) may be entered by any court having jurisdiction thereof. The place of arbitration shall be Manchester, New Hampshire. The arbitrator(s) are not empowered to award damages in excess of compensatory damages and each Party expressly waives and forgoes any right to punitive, exemplary or similar damages unless a statute requires that compensatory damages be increased in a specified manner.

The fees and expenses associated with mediation and arbitration, including the costs of arbitrators, shall be divided equally between the Parties. Each Party shall be responsible for its own legal fees, including but not limited to attorney fees. The Parties may, by written agreement signed by all Parties, alter any time deadline, location(s) for meeting(s), or procedure outlined herein or in the CPR Rules. The procedure specified herein shall be the sole and exclusive procedure for the resolution of disputes arising out of or related to this Option Agreement. To the fullest extent permitted by law, any

resolution, mediation or arbitration proceeding and the settlement or arbitrator's award shall be maintained in confidence by the Parties.
