Witness: Richard C. Labrecque  
Request from: Wood-Fired Small Power Producers

**Question:**

Please explain whether the PPA requires PSNH to utilize the RECs obtained to satisfy PSNH's New Hampshire Class I purchase obligation. If not, please state whether PSNH intends to sell some or all of the RECs obtained at any time in the PPA term into other state's renewable portfolio markets. If so, please identify these markets and explain how this furthers the purposes and goals of RSA 362-F.

**Response:**

The PPA does not require a specific disposition of the RECs following delivery to PSNH. PSNH intends to use the RECs in a manner that maximizes their benefit for retail customers. See also response to OCA-01, Q-OCA-005.
