Witness: Richard C. Labrecque
Request from: New Hampshire Public Utilities Commission Staff

Question:

Ref. Attachment RCL-1. Please provide the date(s) on which the energy, capacity and REC prices in the proposed PPA were finalized.

Response:

All the terms negotiated as part of the PPA are interdependent. Thus, no one provision was "finalized" until there was agreement on the contract as a whole. The PPA was executed within a matter of days that such final agreement was reached.
