**Re: DT 10-211, Petition of the NANPA for Relief of the 603 Numbering Plan Area**

Dear Ms. Howland:

On behalf of Comcast Phone of New Hampshire, I am writing to inform the Commission that Comcast is in compliance with the Commission's Order of April 4, 2011 in the above captioned docket. Prior to the Commission's Order, Comcast had a single end user customer with a Global Naps telephone number in the Durham 316 exchange. Shortly after the Commission's April Order, the customer was contacted and on or about May 4, 2011 the customer's number was changed.

Please contact me directly at 978-927-5700 ext. 43014 if you are in need of further information.

Very truly yours,

Stacey L. Parker
