Re: DT 10-248, FairPoint Communications - NNE
Petition for Amendment of CLEC Authorization of iNetworks Group, Inc.

Dear Mr. Isar:

On September 14, 2010, iNetwork Group, Inc. filed a petition with the Commission requesting an amendment of the statewide service territory granted to it on February 27, 2009, under CLEC Authorization No. CL-02-001-09, to a service territory which mirrors that of FairPoint Communications. Staff has reviewed the filing and recommended that the Commission approve the petition and amend Authorization No. CL-02-001-09 as requested. The Commission has accepted Staff's recommendation and approves the petition to serve in FairPoint's territory.

As a reminder, as iNetworks Group, Inc. conducts business as a CLEC, the Commission expects the company to comply with all applicable administrative rules and provide the highest level of customer service. In particular, the Commission requires yearly updates of the company's progress which you will provide by filing NH Puc Form CLEC-3, CLEC-4 and CLEC-5 by March 31st each year. Pursuant to Commission rules, the company must attain its first retail customer within two years of its February 27, 2009 certification date. At or before that time, iNetworks Group, Inc. must file with the Telecommunications Division NH Puc Form CLEC-12, *Initiation of Operations*. All CLEC forms are available at our web site: www.puc.nh.gov. The Commission also requires notification from iNetworks, Inc. of address changes, restructuring, acquisitions, or other major events as outlined in Commission rules.

Please refer to CL 02-001-09 and Docket No. DT 10-248 in any future correspondence. If you or iNetworks Group, Inc. have any questions, please do not hesitate to contact Jennifer Ducharme in the Telecommunications Division at (603) 271-2431.

Sincerely,

A handwritten signature in dark ink, appearing to read "Debra A. Howland".
