Re : DE 10-261; Public Service Company of New Hampshire Least Cost Integrated Plan

Dear Ms. Howland:

I am writing to update the Commission on an agreement reached between Public Service Company of New Hampshire and the Office of Consumer Advocate in the above-captioned docket regarding the time to file a motion to compel responses to PSNH's Second Set of Data Requests. While OCA continues to object to some of PSNH's Second Set of Data Requests, PSNH expects to receive further responses from OCA to some of the Company's requests. In order to avoid filing multiple motions to compel regarding this Second Set of Data Requests, PSNH and OCA have agreed that PSNH will wait to file any motion to compel until it has received OCA's further responses, at which time PSNH will have one week to file any motion to compel.

If you have any questions regarding this issue, please do not hesitate to contact me.

Very truly yours,

Sarah B. Knowlton
