Dear Attorney Nowalsky:

The Withdrawal of Application or Authorization and new CLEC Application for Registration filed by International Network Solutions, LLC to provide CLEC service within the FairPoint Communications service territory in the State of New Hampshire has been approved, as the accompanying certificate attests. International Network Solutions, LLC's new registration number is CL 10-001-10.

As a reminder, as International Network Solutions, LLC conducts business as a CLEC, the Commission expects the company to comply with all applicable administrative rules and provide the highest level of customer service. Pursuant to Commission rules, the company must attain its first retail customer within two years of its certification date. At or before that time, International Network Solutions, LLC must file with the Telecommunications Division NH Puc Form CLEC-12, *Initiation of Operations*. All CLEC forms are available at our web site: [www.puc.nh.gov](http://www.puc.nh.gov). The Commission also requires notification from International Network Solutions, LLC of address changes, restructuring, acquisitions, or other major events as outlined in Commission rules.

Please refer to Docket No. DT 10-270 and Authorization No. CL 10-001-10 in any future correspondence. If you or International Network Solutions, LLC have any questions, please do not hesitate to contact Jennifer Ducharme in the Telecommunications Division at (603) 271-2431.
