Re: Public Utilities Commission Response to
Conditional Approval of Proposed Interim Rule INT 2011-4

Dear Director Eaton:

At its meeting on March 17, 2011, the Joint Legislative Committee on Administrative Rules (Committee) voted to conditionally approve Proposed Interim Rule INT 2011-4 of the Public Utilities Commission (Commission), containing amendments to the Commission's organizational rules at Puc 100 and procedural rules at Puc 200. The Committee's approval was conditioned upon certain amendments to the proposal.

This letter shall serve as the Commission's written response and shall explain how the rules have been amended in accordance with the Committee's conditional approval. This response and the amendments to the Puc 100 and Puc 200 rules were approved by the Commission at its meeting held today, in conformance with the Committee's conditional approval. As indicated by the enclosed annotated copy of INT 2011-4, all requested amendments have been made to the INT 2011-4 proposal.

The Commission requests approval of this Conditional Approval Response, so that the Proposed Interim Rule may be adopted promptly. We have attached the annotated amended interim rule as well as the fixed interim rule for your reference.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature of Thomas B. Getz in black ink.
