Re: DT 11-031, Union Telephone Company, Tariff Revision Removing DSL  
Requirement from 3STAR Package

Dear Ms. Ladwig:

On February 18, 2011, Union Telephone Company (UTC) filed a revision to its NH PUC Tariff No. 7 that removed the requirement that 3STAR package customers must also subscribe to TDS high speed data services at an additional cost. The revision is to take effect on March 21, 2011.

Staff has examined the filings and recommended approval. The Commission accepted Staff's analysis and recommendation.

For administrative efficiency, an order will not be issued by the Commission either suspending, rejecting, or approving the proposed tariff changes. Pursuant to RSA 378:3 and RSA 378:6, IV, the proposed revisions are effective as filed.

Tariff pages should be filed referencing Docket No. DT 11-031 and reflecting the effective date of March 21, 2011.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra Howland".
