Transition Services Joint Monthly Status Report - July 31, 2012

Dear Ms. Howland:

The Settlement Agreement relating to the acquisition of Granite State Electric Company and EnergyNorth Natural Gas, Inc. (the Companies) by Liberty Energy Utilities (New Hampshire) Corp. approved by the Commission in its Order No. 25,370 ("Settlement Agreement"), requires that during the Transition Period, National Grid and the Companies provide a joint monthly status report to Staff identifying, with respect to the prior month, the Transition Services in use by the Companies, changes to Transition Services required by either or both of the Companies, requests to terminate a Transition Service issued by either or both of the Companies, and confirmation that a Transition Service has been terminated by either or both of the Companies. Reference Settlement Agreement at 14 -15.

Consistent with the Settlement Agreement, on behalf of National Grid and the Companies, I enclose the Transition Services Joint Monthly Status Report for the period ending July 31, 2012.

Sincerely,

A handwritten signature in dark ink that reads "ChristiAne G. Mason".
