Re: DT 11-061

Dear Ms. Howland:

On October, 18, 2013, the Public Utilities Commission ("Commission") issued a scheduling order adopting the briefing schedule proposed by FairPoint in the above-captioned Docket. Pursuant to the scheduling order, reply briefs of the parties are due to the Commission on or before November 26, 2013. The following competitive local exchange carriers request an extension for filing reply briefs: CTC Communications Corp., Lightship Telecom LLC, Choice One of New Hampshire Inc., Conversent Communications of New Hampshire LLC, and all d/b/a EarthLink Business; Freedom Ring Communications LLC d/b/a BayRing Communications; Biddeford Internet Corporation, d/b/a/ Great Works Internet; CRC Communications LLC d/b/a/ OTT Communications; and National Mobile Communications Corporation d/b/a Sovernet Communications (collectively, the "CLECs"). The CLECs propose that reply briefs be due on Tuesday, December 3, 2013.

FairPoint - NNE and Comcast Phone of New Hampshire, LLC have confirmed to the CLECs that they do not object to the extension request and no other parties have objected.

If you have any questions, you may reach me at (207) 992-9920 or by email at trina.bragdon@ottcommunications.com.

Sincerely,

Trina M. Bragdon
