Re: DT 11-089, FairPoint Communications - NNE  
Special Contract with Technical Graphics

Dear Mr. Taylor:

On April 22, 2011, FairPoint Communications - NNE (FairPoint) filed a special contract to provide Technical Graphics with ISDN-PRI service for a period of 24 months. FairPoint submitted a revised contract on May 4, 2011. Staff has reviewed the documentation filed in support of the special contract and recommended that it be allowed to go into effect. According to Staff, the contract rate meets the price floor requirements of RSA 378:18-b, II.

For administrative efficiency, the Commission will not issue an order suspending, rejecting, or approving the proposed special contract. Accordingly, the proposed contract between FairPoint and Technical Graphics is effective on May 21, 2011, pursuant to RSA 378:18-b,II(a).

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".
