**Re: DE 11-146 – Granite State Electric Company d/b/a National Grid
GreenUp Service Recovery Adjustment Factor**

Dear Ms. Howland:

In Order No. 25,247, the New Hampshire Public Utilities Commission approved the request of Granite State Electric Company d/b/a National Grid ("National Grid") to revise its GreenUp Service Recovery Adjustment Factor from \$0.00006 per kWh to \$0.00000 per kWh effective for service rendered on and after July 1, 2011. Order No. 25,247 requires that National Grid file a compliance tariff with the Commission on or before July 15, 2011.

Today, in connection with Docket No. 11-107, National Grid filed an original and two copies of Revised Page 84 of N.H.P.U.C. No. 17 – Electricity, among other Revised Pages, to comply with Order No. 25,126. The filing of Revised Page 84 in Docket No. 11-107 also complies with Order No. 25,247, and as such National Grid is not submitting a duplicate copy in this docket.

Thank you for your assistance. Please do not hesitate to call if you have any questions.

Very truly yours,

A handwritten signature in blue ink, appearing to read "P. H. Taylor".
