RE: Revision to the letter for NH PUC 83 – Exchange and Network Services – Construction; Localities and Exchanges of Connection; Exchange Maps; Other Services DT 11-152

Dear Ms. Howland:

This letter revises a filing that was submitted to the NHPUC on June 30, 2011 for effect August 1, 2011 consisting of:

NH PUC No. 83

Part/Section	Revision of Page	Original of Pages
A/2	2	
A/2	3	
A/2	4	
A/5	29	
A/12	15	
M/1	42	

In this filing FairPoint Communications – NNE proposed several modifications. Part A, Section 2 has been updated to strengthen early termination language for new construction. Also, some language was corrected, information about Exchange Maps was updated and Service through Miscellaneous Common Carriers was removed because we currently have no subscribers, and FairPoint no longer wants to offer this service.

The original letter referenced a correction of Exhibit 5.1.6-1 to remove a Massachusetts location as a Locality and Exchange of Connection. This change has not been made, and should not have been included in this package.

Please acknowledge receipt of this letter and its enclosures by signing or stamping and dating the receipt copy of this letter.

Sincerely,

A handwritten signature in purple ink, appearing to read "Teresa R. Rosenberger".
