To Whom It May Concern,

Cost Cutter Alliance Corp. (Our Town Energy Alliance) would like to file an application as an Aggregator. We did file about ten years ago but let it slip because suppliers for residential electricity and natural gas were not yet available.

A check for \$250.00 is enclosed as are three originals for the application. If you wish an electronic version of the application, please forward an email to send the data to.

If you have any questions, please feel free to call me or Cate Barraford

Sincerely yours,

Daniel M Barraford III
