

Windy Hill Farm

Marlow, New Hampshire 03456

September 20, 2011

To: Ms. Debra A. Howland,

As a timberland owner with tracts of timberland in several New Hampshire towns, I try to keep my acreage growing to it's full potential. It is necessary to market both top quality as well as poor quality timber in order to reach our goals. I support Docket #11-184 to help keep our chip mills in operation.

Sincerely,

John S. Salo
