Re: Joint Petition for Approval of Power Purchase Agreements and
Settlement Agreement, Docket No. DE 11-184

Dear Secretary Howland:

By Order 25,294, on Pending Motions for Confidential Treatment dated November 23, 2011, the Commission determined that certain of the pricing terms of the power purchase agreements ("PPAs") between PSNH and the Wood IPPs, which were filed as part of the Joint Petition, would not be provided confidential treatment. The Commission ordered the Joint Petitioners to file copies of the PPAs, with redactions revised in accordance with Order 25,294. The Wood IPPs attach for filing seven copies of the revised confidential and seven copies of the redacted PPAs in compliance with that order, to replace the copies filed with the Joint Petition.

If you have any questions, please let me know..

Respectfully submitted,

David J. Shulock, Esq.
