RE: Hypercube Telecom, LLC PUC No. 3
FCC ICC Compliance Access Tariff Filing

Dear Ms. Cleveland:

Enclosed for filing please find the original of the above referenced tariff filing and CTP form submitted on behalf of Hypercube Telecom, LLC. This filing implements the terminating switched access rate reductions of the Federal Communications Commission Report and Order in WC Docket No. 10-90, etc., FCC No. 11-161 (released Nov 18, 2011) ("FCC Order"). The Company had no intrastate New Hampshire terminating access demand for FY 2011; therefore no reductions are required. However, this filing implements the FCC's Option 2 by migrating to interstate rates and structure, without a transitional rate element. The resulting rates are provided in Exhibit A. The Company respectfully requests an effective date for this filing of July 1, 2012.

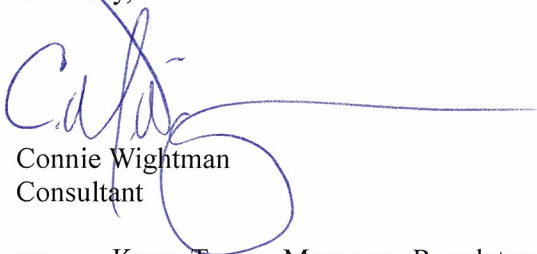

The following tariff pages are included with this filing:

2nd Revised Page 2 Updates Check Sheet
1st Revised Page 50 Revises Terminating FG Access rates

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3002 or via email to cwrightman@tminc.com. Thank you for your assistance in this matter.

Sincerely,

Connie Wightman
