Re: DT 05-083 Investigation into Verizon Wire Centers  
Modification of Schedule

To the Parties:

On September 19, 2005, Staff filed a request on behalf of one of the non-Party discovery respondents for an extension of time in the implementation schedule regarding the above-referenced proceeding. In its request, Staff assured the Commission that concurrence had been requested from the parties. In addition, another party has requested that the technical session be rescheduled to avoid the Rosh Hashanah holiday. Staff reports that it will advise the Commission when it has established a new date for the technical session that is mutually agreeable to all parties.

The Commission has determined that the requested extension will not unduly delay the proceeding. Accordingly, the implementation schedule is amended as follows:

|                   |          |
|-------------------|----------|
| Discovery Due     | 09/30/05 |
| Technical Session | TBD      |

Very truly yours,

A handwritten signature in cursive script, appearing to read 'Debra A. Howland'.
