Re: Docket No. DE 06-061
Investigation of EPAct Standards
Interconnection Standard
Request for Additional Time

Dear Ms. Howland:

On June 22, 2007, the Commission issued Order No. 24,763 in Docket No. DE 06-061, Investigation of Standards Pursuant to the Energy Policy Act of 2005. In its Order, the Commission required Staff and parties to file a recommendation regarding the adoption of an engineering interconnection standard by August 17, 2007.

Staff and parties have met in technical session regarding the interconnection standard, and Staff has issued informal discovery regarding interconnection. However, we are not prepared to file recommendations and respectfully request that the Commission grant us an additional period of 30 days to complete the review.

I certify that I have communicated by email with parties on the service list regarding the proposed extension of time and have heard no objection to this request.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Suzanne Amidon".
