DE 06-061

**MOTION TO INTERVENE OF
CONSTELLATION ENERGY COMMODITIES GROUP, INC. AND
CONSTELLATION NEWENERGY, INC.**

Pursuant to RSA 541-A:32, and Rule 203.02 of the New Hampshire Public Utilities Commission (“PUC” or “Commission”), Constellation Energy Commodities Group, Inc. (“CCG”) and Constellation NewEnergy, Inc. (“CNE”) (collectively, the “CEG Companies”) hereby move to intervene in the above-captioned proceeding. In support of their motion, the CEG Companies state as follows:

On June 22, 2007, the Commission issued its Order Regarding the Adoption of Standards for Time-Based Metering and Interconnection, Order No. 24,763, in which, the Commission issued its determinations regarding time-based “smart” metering, including the time schedule for the applicable rates, and interconnecting generation facilities on customer premises with the grid.

CCG is one of the leading wholesale energy marketing and trading firms in the New England Market. CNE is a retail electricity supplier that provides customized energy solutions and comprehensive energy services to commercial and industrial customers in New Hampshire and throughout New England. Consequently, the CEG Companies have a material interest in the outcome of this proceeding which can not be adequately represented by any other party.

The CEG Companies are wholly-owned subsidiaries of Constellation Energy Group, Inc. (“CEG”). CEG is a FORTUNE 200 North American energy company,

headquartered in Baltimore, Maryland with several merchant subsidiaries including a wholesale power marketer, competitive retail providers and a regulated utility company.
