Ms. Debra Howland  
Executive Director  
Public Utilities Commission  
21 s. Fruit St. suite 10  
Concord NH 03301-2429

Dear Ms. Howland,

My name is Charles Mobilia and I am President and total stockholder of Lakeview Water Co. Inc. I am petitioning the Public Utility Commission of the State of New Hampshire to dissolve Lakeview Water Co. Inc as a public utility for the following reasons.

Lakeview Water Co. Inc. located in Alton, New Hampshire had twenty-two original water customers, paying \$103.70 per quarter. This vote was set by the Public Utility Commission. Eleven of the original water customers have put in their own wells without my permission as of this date. As a result of the loss of eleven water customers, Lakeview Water Co. Inc is now in debt to the total of \$4,950.00. This includes \$3,000.00 in accounting fee's, \$1,500.00 to Granite State analytical and \$450.00 to Guilford Well Co. This does not include office supplies, xeroxing, and other mailing required by the Public Utilities Commission.

On February 15, 2006 I sent a letter to the remaining eleven water customers (copy included) outlining the current situation facing Lakeview Water Co. Inc.

I would also like to inform you that I have just received an electric bill for \$983.00 by New Hampshire Electric Corp. In order to pay these bills I will again have to contribute money from my personal account. As of May 5, 2006 I have a total of \$35.00 in the Lakeview Water Co. Inc. account.

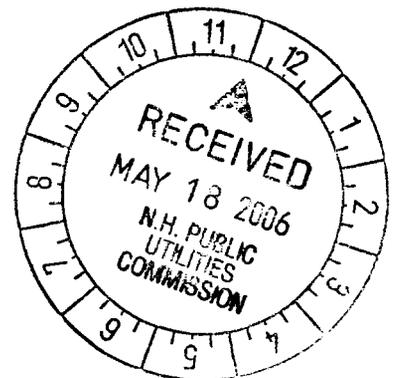

Included in this letter, I have enclosed a copy of the names and addresses of the original twenty-two water customers' and those who have put in wells.

Thank you for you attention to this matter. I am available to answer any questions that you may have.

Sincerely,  
Charles Mobilia

DEAR WATER CUSTOMERS,

THIS LETTER IS TO INFORM YOU OF THE CURRENT SITUATION FACING LAKEVIEW WATER CO., INC. AS YOU MAY OR MAY NOT KNOW, TEN (10) OF THE ORIGINAL TWENTY-TWO (22) WATER CUSTOMERS HAVE INSTALLED THEIR OWN WELLS. THESE WELLS WERE INSTALLED WITHOUT PERMISSION FROM LAKEVIEW WATER CO., INC. AS A RESULT, LAKEVIEW WATER CO., INC. CAN NO LONGER AFFORD TO PAY ITS BILLS.

IN 1991, THE PUBLIC UTILITIES COMMISSION SET A YEARLY RATE OF \$9125.60 OR \$103.70 PER QUARTER PER CUSTOMER. THE LOSS OF TEN (10) WATER CUSTOMERS OR \$4148.00 YEARLY IN REVENUES, HAS CAUSED LAKEVIEW WATER CO., INC. TO OPERATE AT A DEFICIT!

LAKEVIEW WATER CO., INC. HAS THREE OPTIONS IN WHICH TO PROCEED:

1. LAKEVIEW WATER CO., INC. WILL DEED OVER THE WATER SYSTEM TO THE REMAINING TWELVE (12) WATER CUSTOMERS. THE WATER CUSTOMERS CAN THEN REGULATE THEMSELVES.
2. LAKEVIEW WATER CO., INC. WILL GIVE THE REMAINING TWELVE (12) WATER CUSTOMERS FOUR (4) MONTHS FROM FEBRUARY 15, 2006 TO INSTALL THEIR OWN WELLS.
3. LAKEVIEW WATER CO., INC. WILL FILE FOR BANKRUPTCY AS OF JUNE 15, 2006.

PLEASE READ EACH OPTION CAREFULLY. AN IMMEDIATE RESPONSE IS REQUIRED IN ORDER FOR ME TO MEET THE JUNE 15, 2006 DEADLINE. THANK YOU FOR YOUR CONSIDERATION IN THIS MATTER.

SINCERELY,

A handwritten signature in black ink that reads "Charles Mobilia". The signature is written in a cursive, flowing style.

CHARLES MOBILIA, PRESIDENT  
LAKEVIEW WATER CO., INC.
